Christelijke dogmatiek Johannes Jacobus van Oosterzee, 1876 **Christelijke Dogmatick** Johannes Jacobus van Oosterzee, 1870 **Christelijke dogmatiek : een handboek voor academisch onderwijs en eigen oefening** Johannes Jacobus van Oosterzee, 1870 Sprekend kritiek Jeroen Dera, 2017 Of het nu gaat om de legendarische boekenhalftuurtjes van P H Ritter jr of om de klassieke Literaire ontmoetingen van Hans Gomperts en Hans Keller literatuurprogramma's op radio en televisie worden traditioneel beschouwd als een vorm van propaganda voor het boek Sprekend kritiek laat zien dat de literatuurkritiek op radio en televisie rijker en complexer was dan dat Jeroen Dera duikt de omroeparchieven in en ontdekt dat deze media in hun vroege jaren ook een podium waren voor politieke discussie en uitgekende positiebepalingen in het literaire veld In zijn zoektocht diept hij tal van vergeten radiolezingen en televisiedocumentaires op waarin literatoren en critici hun eerste schreden zetten in de wereld van de massamedia Samen geven deze bronnen een kleurrijk beeld van een onderbelichte periode in de media en literatuurgeschiedenis Sprekend kritiek legt dan ook vast wat al te lang vervluchtigd leek Back cover *Protestantsche bijdragen tot bevordering van christelijk leven en christelijke wetenschap*, 1870

Young Muslims and Christians in a Secular Europe Daan Beekers, 2021-01-14 Engaging with debates about lived religion pluralism and secularism this book presents an ethnographic study of committed young Muslims and Christians in the predominantly secular context of the Netherlands Daan Beekers breaks with conventional frameworks that keep these groups apart by highlighting the common ground between revivalist minded Protestant Christians and Sunni Muslims Based on in depth fieldwork *Young Muslims and Christians in a Secular Europe* shows that these young adults embark on reflexive projects of cultivating personal faith that are rife with struggles setbacks and doubts Beekers argues that this shared precarious condition of everyday religious pursuits is shaped by young believers active participation in today's high capitalist and largely secular society where they encounter other modes of imagining and living in the world Yet he reveals that this close engagement with secular culture also fosters a reinvigorated religious commitment that demands constant care and nourishment Written in a clear and accessible style this book reaches beyond longstanding divisions in the study of religion in Europe It both provides rich insights into everyday religious lives and disrupts persistent binary oppositions between categories such as minorities and majorities migrants and natives and Islam and the West **Christelijk gereformeerde dogmatiek** Herman Bavinck, 1884 Eschatologie en historie Nicolaas Ahasuerus Cornelis Slotemaker de Bruine, 1925

Français Moderne et Contemporain, 3). Gerard Lukken, 1994 The author of this book Gerard Lukken has always believed that liturgy is not something which is unchangeable or sacrosanct something to be imposed from above rather he believes that it must gain shape and content from the situation in which believers find themselves This involvement is reflected in the hundreds of publications which have flowed from his pen Lukken's extensive writings offer not only an exciting reflection on the challenges such as secularization and the decrease in church going confronting church and believers but also on the problems they have faced in celebrating their faith in recent decades Moreover his work represents a model for methodological renewal The key concepts in his theological approach and his evaluation are anthropology and semiotics These two aspects have left their marks on the organisation of this book which is a selective compilation drawn from his earlier publications This collection consists of nineteen studies which have lost nothing of their topicality and most of which are now being translated into English French or German for the first time By crossing the frontier of language in such a way the editors wish not only to honour a leading specialist in liturgy but also to contribute to academic research into liturgy throughout the world Gerard Lukken 1933 studied at the Diocesan Seminary in Haaren Noord Brabant the Pontificia Università in Rome and the Institut Supérieur de Liturgie in Paris He was professor of liturgy and sacramental theology from 1967 and director of the Liturgical Institute from 1992 at the Theological Faculty of Tilburg until his retirement in 1994

Verslag van het eerste Christelijk Congres tegen het Alcoholisme, 1909 *There's a Double Tongue* Dirk

Delabastita, 1993 The pun is as old as Babel and inveterate punsters like Shakespeare clearly never lacked translators This book critically examines the evergreen cliché that wordplay defies translation replacing it by a theory and a case study that aim to come to grips with the reality of wordplay and its translation What are the possible modes of wordplay translation What are the various sometimes conflicting constraints prompting translators in certain situations to go for one strategy rather than another Ample illustration is provided from Hamlet and other Shakespearean texts and several Dutch French and German renderings The study exemplifies how theory can usefully be integrated into a description oriented approach to translation Much of the argument also rests on the definition of wordplay as an open ended and historically variable category The book's concerns range from the linguistic and textual properties of Shakespeare's punning and its translation to matters of historical poetics and ideology Its straightforward approach shows that discourse about wordplay doesn't need to rely on stylistic bravura or abstract speculation The book is concluded by an anthology of the puns in Hamlet including a brief semantic analysis of each and a generous selection of diverse translations *Het christelijk onsterfelijkheidsgeloof* Pieter
