Christian Graduation Speeches:

American Commencement Michael Farris, 2011-03-15 For graduates whose foremost question is likely What comes next esteemed educator and constitutional lawyer Michael Farris gathers historic commencement speeches from the early days of America an era marked by great dreams and much uncertainty I believe that these speeches possess timeless qualities And there is absolutely no doubt that America needs future leaders whose character and convictions parallel those of these early American graduates writes Farris in *American Commencement* Farris adds an introduction to each of these seventeen speeches plus a biography for every speaker They include Samuel Davies Heroes Who Inspire John Witherspoon Principles of Greatness Chauncey Whittlesey Sowing and Reaping William Smith Consecrated to God Barnabas Binney On Religious Liberty John Wheelock The Value of Art Josiah Stebbins The Importance of Character Paul Allen The Call to Patriotism Benjamin Allen Battle for Truth Timothy Dwight The Folly of Intellectualism David Tappan A Discourse on Liberty Jonathan Maxcy Attack on Atheism Otis Thompson On Religion and Government Asa Messer In Defense of the Bible Jedidiah Morse A Faithful Guide Ebenezer Fitch Truth versus Reason Tristram Burges A Time to Fight **America a Christian Nation?**

Stephen McDowell, 2005 **Persecution** David Limbaugh, 2003-09-25 In this New York Times bestseller David Limbaugh exposes the liberal hypocrisy of promoting political correctness while discriminating against Christianity From the elimination of school prayer to the eradication of the story of Christianity from history textbooks this persuasive book shows that our social engineers inculcate hostility toward this religion and its values in the name of diversity tolerance and multiculturalism Through court cases case studies and true stories Limbaugh details the widespread assault on the religious liberties of Christians in America today and urges believers to fight back in order to restore their First Amendment right of religious freedom **Christian Weekly**, 1905 [Voting as a Christian: The Economic and Foreign Policy Issues](#) Wayne A. Grudem, 2012-02-07 God intended the Bible to give guidance to every area of life including how governments should function Derived from Wayne Grudem's *Politics According to the Bible* this book highlights those economic and foreign policy issues that have dominated political debate recently and is a must read for any Christian concerned about current debates over Economic issues and taxation The size and role of government The best way forward out of a recession Relationships to other nations Throughout Wayne Grudem author of the bestselling *Systematic Theology* supports political positions that would be called more conservative than liberal However it is important to understand that I see these positions as flowing out of the Bible's teachings rather than positions I hold prior to or independently of those biblical teachings he writes My primary purpose in the book is not to be liberal or conservative or Democrat or Republican but to explain a biblical worldview and a biblical perspective on issues of politics law and government Not every reader will agree with the book's conclusions But by grounding his analysis deeply on Scripture Grudem has equipped Christians to better understand and respond to some of today's key political debates wisely and in a manner consistent with their primary citizenship as members and ambassadors

of the kingdom of God **The Coming Tyranny** David A. Herrera, 2021-06-30 The Coming Tyranny How Socialism Will Lead to Civil War in America is a step by step prediction of how socialism in America will develop by nefarious and corrupt Democrats whose concerns are not the interests and well being of the American people but are concerns about redistributing wealth attaining power control and enriching themselves After the 2020 suspected fraudulent election Democrats practically control the Federal government Their Utopian socialist dream consists of taking substantial wealth from the rich through oppressive taxes and redistributing this wealth for government assistance to illegal migrants for black reparations to bail out poorly managed Democrat states disguised as COVID 19 relief for infrastructure for green energy for government run healthcare for COVID 19 vaccines to support the UN the Paris Peace Accord climate deal the World Health Organization and for Palestinian aid The Chinese born COVID 19 pandemic has enabled the worse election fraud in US history to occur in a concerted effort to steal the 2020 election by election computer fraud ballot counters state elected officials in key states mail carriers and election officials Incredulously key state supreme courts and the US Supreme Court all refused to listen to any evidence or witnesses available in the worst election fraud in US history Examples of Democrat socialist presidential candidates and their leftist views are presented to show how far left socialists want to take America Examples are given as to how corrupt leaders such as Obama Hillary Clinton and Joe Biden not only tried to rig the 2016 election but sought to influence the election of Benjamin Netanyahu forced Pope Benedict to resign and be replaced by a liberal Pope and how the Obama Administration and others were involved with the Vatican and Pope Francis to try to align abortion and homosexuality morality in Catholic doctrine with leftist political morality to be gaslighted as acceptable moral behavior in the US by Hillary Clinton and Tim Kaine in preparation for the 2016 election The Biden Administration signed a slew of executive orders and tax policies that mandated culture change and triggered oppression of Americans Step by step predictions are made how Democrats will change election laws so that they will always remain in power Socialist policies are predicted to cause economic chaos failure and instability Many Americans will lose their jobs and suffer Crime poverty and homelessness will increase Police departments and the military will be politicized to support and enforce tyrannical laws passed by the socialist Federal US government to deprive Americans of their freedoms Conservatives will react as tyranny and oppression intensify A secession of states will likely occur leading to a 2nd American Civil War Unfortunately the war will not fare well for freedom loving Americans for reasons stated Only a miracle from God can save the USA Leftist policies and reconstruction efforts will further weaken the US As Muslim immigrants grow exponentially in the US and Muslim population centers in states increase over time this book predicts that a 3rd Civil War will occur between Muslims and non Muslims In the end the old US will become divided into Muslim and non Muslim countries never to return to the greatest country on earth that it was
