Christian Mens Sex Guide:

What Wives Wish their Husbands Knew about Sex Richard Rupp, Ryan Howes, Stephen Ph. D. Simpson, 2007-04-01 It is an unfortunate reality that many men grow up in churches that suppress their God given sexual urges. As a result many Christian men single and married are frustrated with their love lives and their sex lives. The authors of this book claim that Christian men should be the greatest lovers in the world and then work to show men how to do it. They help men learn what the Bible says about a healthy sex life, discover how to relate to women as men instead of as boys, address psychological and spiritual issues that interfere with healthy sexuality, learn specific techniques that create a strong relationship, great foreplay and passionate sex. Solidly based in Scripture and informed by the experiences of the authors, all respected sex therapists. **What Wives Wish Their Husbands Knew about Sex** dispels the myths that keep good Christian men from experiencing sex as God meant it to be. Perfect for any man, it is also a great book for counselors and pastors who work with men. **The Good Guy's Guide to Great Sex** Sheila Wray Gregoire, Keith Ronald Gregoire, 2022-03-15 If you ever wonder, "Is this all there is to sex?" or "I wish I knew how to help my wife enjoy this more," you will appreciate this straightforward, helpful, and faith-based advice on how to have a better sex life. Based on groundbreaking surveys of more than twenty-five thousand people, this highly practical, research-based book shows guys how to rock their wife's world. **The Good Guy's Guide to Great Sex** from popular marriage blogger and speaker Sheila Wray Gregoire and her husband Dr. Keith Gregoire will help you discover what your wife wants most from you in the bedroom. Realize what can derail a couple's sex life and how to get it back on track. Find healing from past trauma, previous relationships, and porn addiction. Understand your own sex drive and how to keep it revved. Learn the secrets to giving your wife the most fulfilling sex she's ever had. This can-we-start-tonight book about making sex wonderful explores how emotional, spiritual, and physical intimacy all work together. It will appeal to newly engaged couples who want to start their marriage off right, married couples who wonder if sex will ever become what they hoped it would be. Readers of **The Good Girl's Guide to Great Sex**, pastors and counselors seeking a resource for helping engaged and married couples. **The Good Guy's Guide to Great Sex** also features Couple Projects at the end of each chapter and very specific Good Guy Dares to help you woo your wife in and out of the bedroom as you find your way to a delightful, God-given passion.

Sex and the British Paul Ferris,1993 *Evangelical News* Anja-Maria Bassimir,2022-05-24 This work is an innovative treatise on the evangelical magazine market during the 1970s and 1980s and how it sustained religious community and ideology Bassimir argues that community can be produced in discourse especially when shared rhetoric concepts and perspectives signal belonging The 1970s and 1980s were a tumultuous period in United States history In suit with a dramatic political shift to the right evangelicalism also entered the public discourse as a distinct religious movement and was immediately besieged by cultural appropriations and internal fragmentations This was also a time when Americans in general and evangelicals in particular grappled with issues and ideas such as feminism and legal abortion restructuring traditional roles for women and the family The Watergate Crisis and the newly emerging Christian Right also threw politics into turmoil During this time there was a surge of readership for evangelical magazines such as Christian Today Moody Monthly Eternity and Post Americans Sojourners While each of these magazines and many other publications contributes to and participates in the overall

dissemination of evangelical ideology they all also have their own outlooks and political leanings when it comes to hot button issues Evangelical Visions through a thoroughly researched lens makes important correctives to common understandings of evangelical discourse particularly regarding the key political initiatives of the religious right Bassimir demonstrates that within the pages of these periodicals evangelicals hashed out a number of competing views on feminism abortion reproductive technologies and political involvement itself To accomplish this Evangelical Visions traces the emergence of evangelical social and political awareness in the 1970s to the height of its power as a political program The chapters in this monograph also delve into such topics as how evangelicals re envisioned gender norms and relations in light of the feminist movement and the use of childhood as a symbol of unspoiled innocence and the pure potential of humanity Presently most accounts of evangelicalism cite evangelical magazines only very selectively and virtually no studies make substantive use of those magazines as objects of investigation Bassimir s Evangelical Visions makes a much needed contribution to our understanding of evangelicalism in the late twentieth century by providing a nuanced picture of a religious subculture that is too often reduced to caricature This study is located at the intersection of history religious studies and media studies and will appeal to scholars and students of all of these fields A Special Illumination Rollan McCleary,2004 Gay spirituality

represents a hidden strand in Western thought that was only publically declared from the Gay Liberation of the 1970s Since coming out expressions of gay spirituality have proliferated in both number and diversity Beginning with gay theology within Christianity the phenomenon has now reached as far as Buddhism and neo paganism But so far critical analysis of the movement has been very limited largely because gay spirituality has been treated as a political and social movement arguing for rights and acceptance within religious circles A Special Illumination offers an indepth analysis and argues that gay spirituality should be placed at the heart of religion **Real Questions, Real Answers about Sex** Melissa
