## **Christian Science Monitor Archives:**

**The Christian Science Monitor Index** ,2003      **The Wobblies in Their Heyday** Eric Thomas Chester,2014-08-26

During World War I the Industrial Workers of the World IWW rose to prominence as an effective militant union and then was destroyed by a devastating campaign of repression launched by the federal government This book documents the rise and fall of this important industrial labor organization The Industrial Workers of the World or Wobblies as they were known included legendary figures from U S labor history Joe Hill Big Bill Haywood and Elizabeth Gurley Flynn have become a part of American popular folklore In this book author Eric T Chester shows just how dynamic a force the IWW was during its heyday during World War I and how determined the federal government was to crush this union a campaign of repression that remains unique in U S history This work utilizes a wide array of archival sources many of them never used before thereby giving readers a clearer view and better understanding of what actually happened The book leads with an examination of the three key events in the history of the IWW the Wheatfield CA confrontation the Bisbee AZ deportation and the strike of copper miners in Butte MT The second part of the book deconstructs the IWW s responses to World War I the coordinated attack by the federal government upon the union and how the union unraveled under this attack      **The Seizure of**

**Saddam Hussein's Archive of Atrocity** Bruce P. Montgomery,2019-10-04 The Seizure of Saddam Hussein s Archive of Atrocity examines the capture of the Baathist security files and the discovery of an invaluable Iraqi Jewish archive amid the Kurdish uprising and the US led invasion of Iraq The events ignited a fierce struggle for the files which documented Saddam Hussein s vast humanitarian crimes The various battles to control the memory of Saddam Hussein s genocidal regime and reclaim Jewish patrimony reflected Iraq s inability to confront its past The author examines these controversies arguing that Iraq s failure to face its totalitarian history has condemned it to a future of vengeance      **Library Journal** Melvil

*Fruits of Victory* Elaine F. Weiss, 2008-12 The women who kept the farms going while the soldiers were Over There

**The Fervent Embrace** Caitlin Carenen, 2012-03-26 When Israel declared its independence in 1948 Harry Truman issued a memo recognizing the Israeli government within eleven minutes Today the U.S. and Israel continue on as partners in an at times controversial alliance an alliance many argue that is powerfully influenced by the Christian Right In *The Fervent Embrace* Caitlin Carenen chronicles the American Christian relationship with Israel tracing first mainline Protestant and then evangelical support for Zionism In the aftermath of the Holocaust American liberal Protestants argued that America had a moral humanitarian duty to support Israel Christian anti-Semitism had helped bring about the Holocaust they declared and so Christians must help make amends Moreover a stable and democratic Israel would no doubt make the Middle East a safer place for future American interests Carenen argues that it was this mainline Protestant position that laid the foundation for the current evangelical Protestant support for Israel which is based primarily on theological grounds Drawing on previously unexplored archival material from the Central Zionist Archives in Israel this volume tells the full story of the American Christian Israel relationship bringing the various players American liberal Protestants American Evangelicals American Jews and Israelis together into one historical narrative

**Library Journal**, 1997

*Making Good Neighbors* Abigail Perkiss, 2014-03-20 In the 1950s and 1960s as the white residents real estate agents and municipal officials of many American cities fought to keep African Americans out of traditionally white neighborhoods Philadelphia's West Mount Airy became one of the first neighborhoods in the nation where residents came together around a community wide mission toward intentional integration As West Mount Airy experienced transition homeowners fought economic and legal policies that encouraged white flight and threatened the quality of local schools seeking to find an alternative to racial separation without knowing what they would create in its place In *Making Good Neighbors* Abigail Perkiss tells the remarkable story of West Mount Airy drawing on archival research and her oral history

interviews with residents to trace their efforts which began in the years following World War II and continued through the turn of the twenty first century The organizing principles of neighborhood groups like the West Mount Airy Neighbors Association WMAN were fundamentally liberal and emphasized democracy equality and justice the social cultural and economic values of these groups were also decidedly grounded in middle class ideals and white collar professionalism As Perkiss shows this liberal middle class framework would ultimately become contested by more militant black activists and from within WMAN itself as community leaders worked to adapt and respond to the changing racial landscape of the 1960s and 1970s The West Mount Airy case stands apart from other experiments in integration because of the intentional organized and long term commitment on the part of WMAN to biracial integration and in time multiracial and multiethnic diversity The efforts of residents in the 1950s and 1960s helped to define the neighborhood as it exists today
