Unholy Joy: 50 Years On - A Short History of the Profumo Affair John Lawton, 2013-06-01 Named after John Profumo Secretary of State for War the Profumo Affair was the biggest British political scandal of 1963 His affair with Christine Keeler the reputed mistress of an alleged Soviet spy followed by his lying in the House of Commons when he was questioned about it forced the resignation of Profumo and damaged the reputation of Prime Minister Harold Macmillan's government Here John Lawton explores how the scandal evolved and the effect it had upon the population of an increasingly liberated

Britain Unholy Joy went on to become the basis for a novel A Little White Death has its roots in the Profumo affair the correspondences will be apparent to the reader but the buds and leaves are Lawton s fiction This kindle edition includes an extract from A Little White Death Swinging London Christine Keeler,2017-08-03 Chelsea Girls and Carnaby Street the Rolling Stones and Mary Quant Swinging London celebrates the unique period between 1964 and 1967 when London became the epicenter of fashionable cool and heady hedonism A wonderful collection of candid images captures the key figures of this tumultuous time and an insightful introductory essay reveals the inside story of the happening scene and its notable players **Stephen Ward was Innocent, Ok** Geoffrey Robertson,2013 In the summer of 1961 John Profumo Minister for War enjoyed a brief affair with Christine Keeler Late in the afternoon of Wednesday 31 July 1963 Dr Stephen Ward was convicted at the Old Bailey on two counts alleging that he lived on the earnings of a prostitute He was not in the dock but comatose in hospital The previous night he had attempted suicide He died on Saturday 3 August without regaining consciousness Many observers of the proceedings thought the convictions did not reflect the evidence and that the trial was unfair and this book will show that it breached basic standards of justice Geoffrey Robertson brings his forensic skills and a deeply felt sense of injustice to the case at the heart of the Profumo affair the notorious scandal that brought down a government *Nothing But. . Christine Keeler* C. Keeler,S. Fawkes,1983-02-01 **1963: That Was the Year That Was** Andrew Cook,2013-02-01 While we conveniently package the past into decades when talking about the Roaring 20s the Rock and Roll era of the 50s or the Swinging 60s these tend to be labels of convenience rather than of historical accuracy In reality the first four years of the 1950s were more akin to the 1940s with austerity and rationing still facts of every day life Likewise the first three years of the 60s were in terms of fashion social attitudes and living standards really part of the 1950s The year 1963 was to be the seminal year when most of the things we now associate with the Swinging 60s really began Most years are fortunate to experience three or four seminal events during their allotted twelve months a cursory look through a chronology of 1963 however shows just how many significant events took place This year alone saw a huge number of watershed moments in popular culture national and international politics Arranged in a chronological month by month format 1963 That Was the Year That Was pieces together these happenings exploring their immediate and long term effects and implications This is a fascinating read for both those who lived through these momentous times and those who want to learn more about the start of the swinging 60s **Feature Films, 1960-1969** Harris M. Lentz III,2009-12-29 This is a filmography in two volumes of not only all of the English language movies made during the 1960s that had a U S theatrical release but major foreign films exhibited in the United States as well The following information is provided for each film year of release nation of origin if other than the U S production or distribution company black and white or color running time genre production credits cast and characters and a brief synopsis This turbulent decade is unusually interesting in the history of cinema Those films released in the early part of the decade were similar to those of the 1950s but as the years
