Murphy, 2022-10-18 An interfaith guide to planned giving Planned gifts are typically the largest gifts received by a charity and can transform religious organizations and congregations to become more sustainable impactful and vibrant entities for decades to come Encouraging planned gifts to congregations and religious organizations is essential at this time of tremendous generational wealth transfer these gifts also provide an opportunity to enhance relationships between supporters and organizations Many congregations and religious entities fear that they cannot raise these transformational gifts due to a lack of expertise among staff or volunteers the limited financial resources of their constituents or the simple discomfort of addressing ultimate issues with donors Faithful Giving can help change those dynamics The book is intentionally inclusive of Christian and other faith traditions by offering several case studies from a variety of Christian denominations and other religions including Roman Catholic Episcopal Presbyterian Lutheran Baptist Jewish Muslim Hindu Sikh and others      The Postal Bulletin ,1986      **Postal Bulletin** ,1986      **Daily Bulletin of Orders Affecting the Postal Service** ,1986      **Records** ,1991      **Abstracts of the Annual Meeting** American Anthropological Association, 1994
