101 Great Games for Kids Jolene L. Roehlkepartain, 2000 Provides instructions for games geared to children of all ages which teach about God faith and people in the Bible Faith, Doubt, and Other Lines I've Crossed Jay Bakker, Andy Meisenheimer, 2025-05-01 Innovative pastor Jay Bakker thought he knew God the God who rigorously patrolled every aspect of his life the God who chose sides the God who was always disappointed in him But through the transformative power of grace he discovered the God who loved and accepted unconditionally freeing him to ask the hard questions and delve into one of Christianity's greatest taboos doubt In *Faith Doubt and Other Lines I've Crossed* Jay voices the questions that Christians are thinking but won't ask as he chronicles his doubt about God the Bible heaven and hell church society relationships grace and love In the process he encourages all of us to welcome the other to read the Bible differently but better to draw together in community and to seek an unknown God of limitless grace Brutally honest but full of grace Jay invites everyone to cross the line to dig deeper and to discover a faith that is beyond belief *Where the Colors Blend* Stephen Copeland, 2018-08-14 In *Where the Colors Blend* Stephen Copeland's self discovery and God discovery is told over a period of six years in the context of an annual retreat to the Blue Ridge Mountains in Roanoke Virginia where an obscure forty year old church softball tournament takes place each summer to raise funds for mission work in Paraguay In stepping into these stories and sharing them with the reader Stephen simultaneously journeys deeper within himself discovering the divine in the process and taking readers deep into the throes of doubt deconstruction and depression But it's there in the darkness that an authentic hope finds him Throughout the narrative readers experience with Stephen a number of paradigm shifts in the areas of Spirituality from exhausting oneself trying to get close to God to simply abiding awakening to who we already are at the core of our beings as children of God Psychology from suppressing emotions pains and insecurities to curiously and non judgmentally exploring them Relationships from trying to change others or silently judging them to accepting others as they are and learning from those who are most different than ourselves abandoning ignorance and arrogance Art writing and work from being taunted by internal demands and a relentless pursuit of perfection to simply enjoying the gift of the process Stephen's present tense narrative mysteriously unfolding all the way is free thinking and free flowing swinging from humor to complex theology from someone else's story to sudden introspectiveness and application creating a unique experience for readers as it challenges them to adopt their own lifestyle of introspection and contemplation

Celebrating The 12 Days of Christmas Chris Marchand, 2019-10-10 The song *The 12 Days of Christmas* is a mainstay of the holiday season but the practice of celebrating Christmas as a twelve day festival fell out of fashion long ago in most cultures In *Celebrating the 12 Days of Christmas* author Chris Marchand explores the history behind the season and individual feast days from December 25 to January 6 and then offers suggestions for how you can celebrate it with your family church or community Along with this he provides answers to many of the nagging questions surrounding the holiday

such as the history behind the twelve days song why December 25 was chosen as the date and what to do about its supposedly pagan origins The challenge before us is to first help people see Christmas as a holiday that begins rather than ends on December 25 and then to together figure out how to reinvent Christmas in the present by learning how it was celebrated in the past
