Brown,2021-03-17 LIFE ON THE LAND Memoir of a Farmer s Daughter is an inspirational look at life through the eyes of a black child during a time when cotton was king Carolyn J Brown shares her story of living on a farm in Northeast Texas She details the challenges and joys of growing up in a family of black cotton farmers who worked on their own land Upon leaving the farm for a career in urban education the author faced different kinds of challenges and rewards which she describes Also included are strategies that engage children with literature in meaningful ways *Church And State In American History* John F Wilson,2018-03-08 Provides the key source materials historical and legal for understanding the relationship of church and state The controversies surrounding aid to parochial schools blue laws school prayer and birth control programs have been central to the ongoing search for the

proper boundary between religious and political authority in America This concise volume features chronologically organized selections from such official documents as colonial charters court opinions and legislation along with incisive twentieth century interpretations of the issues they treat Historical figures as diverse as John F Kennedy Perry Miller Reinhold Niebuhur and Paul Blanshard together with contemporary ones illuminate the interrelationships between the legal political and religious structures of American society We encounter controversies every day that concern school vouchers prayer in schools and stadiums religious symbols in public spaces and tax support for faith based social initiatives as well as arguments among advocates of pro choice and pro life positions These and other issues are at the center of an ongoing search for a means to delineate the interactions among religious and political authorities initially in the United States but increasingly in the rest of the world as well This concise volume presents chronologically organized chapters that include selections from documents like colonial charters opinions of the Supreme Court and salient legislation along with contemporary commentary and incisive interpretations of the issues by modern scholars Figures as divergent as John Winthrop John F Kennedy and Sandra Day OConnor speak from these pages as directly as Paul Blanshard Reinhold Niebuhr John Courtney Murray and Robert Bellah Church and State in American History addresses the difficult relationships among the political and religious structures of our society and the emergence of an American solution to the church state problem

Martin Luther: The preservation of the church, 1532-1546- Martin Brecht,1985 In this definitive study the author accomplishes two important tasks First he contrasts the theological perspectives of earlier biographies with the results of more modern research into Luther s socio economic context psychological relationships late medieval and humanist thought university curricula and political factors Second in keeping with his theory that the historical discipline must make its results accessible to a wider audience unless it wishes to encourage the historical amnesia which it so often laments the author communicates the findings of technical Reformation scholarship to the public in a comprehensible style Book jacket

Homophobia in the Black Church Anthony Stanford,2013-03-14 This book explains how faith politics and fear contribute to the homophobic mindset within the Black Church and the African American community Homophobia in the Black Church How Faith Politics and Fear Divide the Black Community explores the various reasons for the Black Church s aversion and the general black cultural inflexibility toward homosexuality same sex marriage and acceptance of the LGBT community It connects black cultural resistance toward homosexuality to politics faith and fear follows the trail of faith based funding to the pulpit of black mega churches and spotlights how members of the black clergy have sacrificed black LGBTQ Christians for personal and political advancement The author systematically builds his case linking the reasons blacks are intolerant of deviation from acceptable sexual behavior to the 1960s struggle for racial equality and tying longstanding black sexual mores to present day politics social conservatism and the lure of federal funding to black churches and religious and social organizations He also spotlights specific homophobic black ministers and draws back the curtain on their alliance with White
