**Low-Cost Carriers in Emerging Countries** John Bowen,2019-02-13 Low Cost Airline Carriers in Emerging Countries traces the development of low cost carriers LCCs in Asia Latin America the Middle East and Africa examining airlines that have become significant players in their home markets but little known at a global scale The book maps the geography of the LCC phenomenon explaining the starkly varying success of budget airlines and assessing their current social economic and environmental impacts The book concludes with insights into the future potential of the LCC phenomenon along with its global ramifications Beginning with Southwest Airlines in the 1970s low cost carriers LCCs have democratized air travel around the world fostering huge increases in airline traffic and transforming the airline industry At the same time however the ascent of these budget airlines has exacerbated aviation related problems such as aircraft noise airport congestion greenhouse gas emissions and more LCCs have been extensively studied in the US and Europe but not in emerging regions of the globe Yet the impact of such airlines is greatest in low and middle income economies where only a small fraction of the population has ever flown and where competition from alternative modes road rail is weak Examines the evolution of low cost carriers around the world how established airlines react to their entry and the wide ranging societal implications for individual countries and the world Places emerging countries LCCs into a global context comparing them to their US and European counterparts Offers original quantitative analysis of LCC networks at several spatial scales global regional national airport vs airport using global schedule data from OAG Includes professionally produced maps of representative airlines networks

**Circle of Stars** Dermot Hodson,2023-11-07 A compelling new history of the EU and the people who sought to shape and challenge it from Maastricht to today The European Union is the most ambitious and one of the most contentious international organizations ever created Decisions made in Brussels shape the lives of over 500 million

Europeans and its laws and policies resonate around the world But how has the EU endured over three turbulent decades marred by crises at home and abroad In this major account Dermot Hodson traces the development of the EU from its establishment in 1993 through to Brexit Covid 19 and the invasion of Ukraine Hodson shows how the union has been held together not by faceless technocrats but national leaders who stood together in times of turmoil despite a fierce backlash from a new generation of right wing populists Circle of Stars offers a rich appraisal of Europe s troubled past and turbulent present focusing on the people who built the EU as we know it today      **Ryanair** Siobhán Creaton,2004 Just a few years ago Ryanair was a tiny impoverished airline competing unsuccessfully with Aer Lingus In 2003 the company was worth more than British Airways This is the story of its meteoric rise told by both the people who have served the company and also through the eyes of major rivals      A Case Study of EasyJet and the Airline Industry Florian Mayer,2007-10 Seminar paper from the year 2003 in the subject Business economics Marketing Corporate Communication CRM Market Research Social Media grade 79 University of Leeds Trinity All Saints College course Advanced Marketing 40 Fu noten entries in the bibliography language English abstract This paper presents a thorough marketing plan for the no frills low cost airline EasyJet by following a professional and widely used and accepted marketing planning structure To familiarise the reader with the airline industry as well as EasyJet the company under study here the text starts with an introduction to EasyJet s corporate history and its current position within the airline industry Then an external and internal analysis of EasyJet s business follows which culminates in a SWOT analysis The paper concludes with a marketing plan recommendation to further EasyJet s growth in international air transport      **EasyJet** Lois Jones,2005 EasyJet has always been a colorful enterprise thanks to both its charismatic and self promoting Greek founder Stelios Haji Oannou and its bright orange planes and publicity material Beginning as a modest low cost operation with a couple of elderly leased 737s between Luton and Glasgow it is now one of the biggest airlines in Europe It has brought not only Spain Portugal and the Highlands of Scotland within reach of every traveller s pocket but has also recently opened up the new member countries of the EU to tourism and cheap business travel with regular flights to Slovenia Estonia and Hungary This is the story of easyJet s business success the flamboyant stunts it has used to steal a march on its competitors and the wider social changes its cheap flights have brought about
