some of the most complex issues confronting the United States over three decades ranging from Black Hawk Down in Somalia to the genocide in Rwanda and the East Africa embassy bombings in the late 1990s and from conflicts in Libya and Syria to the Ebola epidemic a secret channel to Iran and the opening to Cuba during the Obama years With unmatched insight and characteristic bluntness she reveals previously untold stories behind recent national security challenges including confrontations with Russia and China the war against ISIS the struggle to contain the fallout from Edward Snowden's NSA leaks the U S response to Russian interference in the 2016 election and the surreal transition to the Trump administration Although you might think you know Susan Rice whose name became synonymous with Benghazi following her Sunday news show appearances after the deadly 2012 terrorist attacks in Libya now through these pages you truly will know her for the first time Often mischaracterized by both political opponents and champions Rice emerges as neither a villain nor a victim but a strong resilient compassionate leader Intimate sometimes humorous but always candid Tough Love makes an urgent appeal to the American public to bridge our dangerous domestic divides in order to preserve our democracy and sustain our global leadership *The New York Times Magazine*, 2004 *New African*, 1999 *The New Yorker*, 1995 **Tanzania Health Research Bulletin**, 2001 *Audacity* Jonathan Chait, 2017-01-17 The veteran political journalist presents a compelling case that Obama was one of the most successful presidents of modern times The Guardian Over the course of eight years Barack Obama amassed an array of outstanding achievements His administration saved the American economy from collapse expanded health insurance to millions negotiated an historic nuclear deal with Iran helped craft a groundbreaking international climate accord reined in Wall Street and crafted a new vision of racial progress He has done all of this despite a left that frequently disdained him as a sellout and a hysterical right that did everything possible to destroy his agenda even when they agreed with what he was doing In *Audacity* Jonathan Chait digs deep into Obama's record on major policy fronts economics the environment domestic reform health care race foreign policy and civil rights to demonstrate why history will judge our forty fourth president as among the greatest in history *Audacity* does not shy away from Obama's failures most notably in foreign policy Yet Chait convincingly shows that President Obama has accomplished what candidate Obama said he would despite overwhelming opposition and that the hopes of those who voted for him have not been dashed despite the smokescreen of extremist propaganda and the limits of short term perspective An essential starting point for those assessing the Obama presidency *Washington Monthly* *The National Geographic Magazine*, 2001 **The Economist**, 1995 **New People**, 2000 *The Journal of the American Chamber of Commerce in Japan*, 2005 **The National Geographic**, 2005 **National Geographic**, 2005 *Sociology* George J.
