Real-World Applications of Quantum Computers and Machine Intelligence Ananth, Christo, Anbazhagan, N., Goh, Mark, M. N. Islam, Sardar, 2024-12-27 The emergence of quantum computing promises a monumental shift in technological capabilities poised to revolutionize various fields where traditional computing methods may fall short. Quantum computing's potential spans a wide spectrum of applications from enhancing cryptography to revolutionizing climate modeling and drug discovery. Major corporations are integrating quantum computing into artificial intelligence research, marking a pivotal shift from traditional computing methods. *Real World Applications of Quantum Computers and Machine Intelligence* explores practical examples in quantum computing and machine learning for various industry revolutions. By contrasting quantum computing with conventional data mining systems, this book offers insights into the transformative potential of quantum computing, enabling the development of new techniques for real-time problem solving and innovation. This book covers topics such as deep neural networks, environmental technologies, and machine learning, and is a useful resource for computer engineers, industry professionals, researchers, academicians, scientists, business owners, and healthcare workers.

e-Consumers in the Era of New Tourism Erkan Sezgin, 2016-01-20 This book focuses on the role of e-consumers and e-marketing in the era of new tourism. It addresses themes such as the tourism prosumer at work, the evolution of tourism services, the collaboration and co-creation, as well as the e-complaint behavior of e-consumers in tourism. It also discusses topics such as mobile marketing, gamification as a marketing communication tool, the impact of social media on tourism consumers, and the use of e-loyalty programs in the accommodation sector. Students taking e-marketing and market research courses in tourism can use this work as a source book for the principles of new marketing management. *e-Consumers in the Era of New Tourism* serves as a helpful resource for practitioners as well as researchers and students of e-marketing.
