My Story Lucille M. Griswold, 2012-02-16 Did you ever contemplate changing your life Consider this story of a man who coincidentally makes a tough choice on the same day as one of the most horrific catastrophes in the United States of America The events that follow are beyond prediction and imagination and leave the average person wondering what constitutes the rules of right and wrong in society In reading this tale it becomes obvious that anyone can justify life situations to suit their needs even when to the average person those needs might be atrocious and against the law The bizarre circumstance in this piece of contemporary historical fiction leads to a story of intrigue and conflicted emotions Readers of all varieties will come away questioning the rules and fairness of what we experience in life *Automobile Dealer and Repairer* ,1907 *Motor Age* ,1911 *Automobile Repairshop Short-cuts* Motor World,1918 Hearing on H.R. 2576 (H.R. 3354) ...
