Christ Saves All Universal Salvation:

Christ Saves All George Howe, 2014-10-27 Christ Saves All This book presents and exegetes many of the key Bible verses that foster a belief that God intends to ultimately save all people by the work of Christ on the cross An introduction contains answers to certain questions that are frequently asked by Evangelical Christians and others about this Bible based concept After the lengthy section discussing many Bible passages there is a list of on line sources and a list of books on this subject of the ultimate reconciliation of all TURA as well as information about the author Dr George F Howe Ph D **Grace Saves All** David Artman, 2020-04-17 Grace is amazing About this all Christians agree Yet nearly all forms of Christianity put significant limits on grace Those forms of Christianity which proclaim grace alone actually saves typically don't believe God gives grace to everyone while those forms of Christianity which proclaim God gives grace to everyone typically don't believe grace alone actually saves Must grace either be that which saves alone but doesn't go to all or that which goes to all but doesn't save alone In Grace Saves All David Artman argues that grace saves alone and goes to all This inclusive approach to Christianity is variously called universal reconciliation universal salvation or perhaps most accurately Christian universalism He contends that the inclusive Christian universalist approach is necessary because it offers the only Christian theology which successfully defends the goodness of God For it logically follows that if God is all good all knowing and all powerful then God must also be all saving Often dismissed as a modern feel good theology Christian universalism is an ancient orthodox and biblical theology which was expounded by early Christians and early church fathers Artman brings much deserved attention to this wonderful spirituality **That All Shall Be Saved** David Bentley Hart, 2019-09-24 A stunning reexamination of one of the essential tenets of Christian belief from one of the most provocative and admired writers on religion today A scathing vigorous eloquent attack on those who hold that there is such a thing as eternal damnation Karen Kilby Commonweal The great fourth century church father Basil of Caesarea once observed that in his time most Christians believed that hell was not everlasting and that all would eventually attain salvation But today this view is no longer prevalent within Christian communities In this momentous book David Bentley Hart makes the case that nearly two millennia of dogmatic tradition have misled readers on the crucial matter of universal salvation On the basis of the earliest Christian writings theological tradition scripture and logic Hart argues that if God is the good creator of all he is the savior of all without fail And if he is not the savior of all the Kingdom is only a dream and creation something considerably worse than a nightmare But it is not so There is no such thing as eternal damnation all will be saved With great rhetorical power wit and emotional range Hart offers a new perspective on one of Christianity's most important themes Flames of Love Heath Bradley, 2012-11-29 Is hell for real or will all be saved What if both are true It is tempting to settle either for the liberal option of downplaying the judgment of God or for the conservative option of letting dominant church tradition trump fresh understandings of Scripture Not settling for either of these popular options this book offers a clear and compelling response

to the question of what hell could be for in a universe created and redeemed by a loving God The book seeks to articulate a distinctively Christian universalism that highlights the centrality of Christ coheres with the Scriptures and early church tradition affirms the reality of divine judgment and offers motivational grounds for evangelism and holy living Ultimately this work is about the Christian struggle to envision the life of the world to come in a way that is faithful to the God in whom love and holiness are forever united

Grace Saves All David Artman, 2020-04-17 Grace is amazing About this all Christians agree Yet nearly all forms of Christianity put significant limits on grace Those forms of Christianity which proclaim grace alone actually saves typically don't believe God gives grace to everyone while those forms of Christianity which proclaim God gives grace to everyone typically don't believe grace alone actually saves Must grace either be that which saves alone but doesn't go to all or that which goes to all but doesn't save alone In Grace Saves All David Artman argues that grace saves alone and goes to all This inclusive approach to Christianity is variously called universal reconciliation universal salvation or perhaps most accurately Christian universalism He contends that the inclusive Christian universalist approach is necessary because it offers the only Christian theology which successfully defends the goodness of God For it logically follows that if God is all good all knowing and all powerful then God must also be all saving Often dismissed as a modern feel good theology Christian universalism is an ancient orthodox and biblical theology which was expounded by early Christians and early church fathers Artman brings much deserved attention to this wonderful spirituality

"All Shall Be Well" Gregory MacDonald, Robin A. Parry, 2011-01-01 All shall be well and all shall be well and all manner of thing shall be well Lady Julian of Norwich Universalism runs like a slender thread through the history of Christian theology It has always been a minority report and has often been regarded as heresy but it has proven to be a surprisingly resilient idea Over the centuries Christian universalism in one form or another has been reinvented time and time again In this book an international team of scholars explore the diverse universalisms of Christian thinkers from the Origen to Moltmann In the introduction Gregory MacDonald argues that theologies of universal salvation occupy a space between heresy and dogma Therefore disagreements about whether all will be saved should not be thought of as debates between the orthodox and heretics but rather as in house debates between Christians The studies that follow aim in the first instance to hear understand and explain the eschatological claims of a range of Christians from the third to the twenty first centuries They also offer some constructive critical engagement with those claims Origen Tom Greggs Gregory of Nyssa Steve Harmon Julian of Norwich Robert Sweetman The Cambridge Platonists Louise Hickman James Rely Wayne K Clymer Elhanan Winchester Robin Parry Friedrich Schleiermacher Murray Rae Thomas Erskine Don Horrocks George MacDonald Thomas Talbott P T Forsyth Jason Goroncy Sergius Bulgakov Paul Gavrilyuk Karl Barth Oliver Crisp Jaques Ellul Andrew Goddard J A T Robinson Trevor Hart Hans Urs von Balthasar Edward T Oakes SJ John Hick Lindsay Hall J rgen Moltmann Nik Ansell

Christology addresses the questions that Christology currently faces and or will face in the future in 12 topics The book consists of two parts In the first part Kim deals with five topics related to traditional Christology while in the second part he wrestles with seven topics related to issues of Christology The twenty first century is a challenging time for Christianity Many in our age are asking what Jesus Christ means in various dimensions of history culture nature and even beyond the Earth Changes in values worldviews and views of the universe are forming a new zeitgeist Dong Kun Kim argues that ways of understanding Christ should change accordingly for a Christology that fails to communicate meaningfully with the times is void of vitality Postmodernism dehistoricization and life post ideology multiculturalism multiple religions and above all the rapid development of the natural sciences pose a serious challenge to traditional Christology Who is Christ in the age of an infinite cosmos How do daily human life social devotion and praxis relate to salvation How can we discuss salvation history in an era post history Where does Christ stand in the public sphere Can the Chalcedonian definition of the two natures of Christ true God and true human being encompass nature and the cosmos would a third nature of Christ be necessary Will the cyborg which may appear in the near future be the object of Christ s salvation If scientific determinism becomes popular in the future will the basis of faith in Christ lose ground If intelligent life exists in the universe what does Christ mean to such life This book provides innovative answers to these questions in an academic context *Universalism Not of the Bible* Nathan Dow George,1873 *The Travels of the Children of Israel* Jefferson Columbus Brock,1914 *Universalism asserted, on the authority of reason, the fathers, and holy Scripture* Thomas Allin (D.D.),1888 *The Devil's Redemption : 2 Volumes* Michael J. Parry,Christopher Hugh Partridge,2003 A debate between Christian thinkers biblical scholars theologians philosophers and historians about whether God will one day save everybody Will God one day save all people through Christ s atoning work That is the question at the heart of the debate in this volume The book opens with a rigorous defence of universalism Thomas Talbott argues that Scripture teaches the ultimate salvation of all people including those in hell This is followed by two responses from biblical scholars Howard Marshall Thomas Johnson who come to different conclusions on the merits of Talbott s arguments from the Bible Then two philosophers Jerry Walls Eric Reitan consider Talbott s claims and reach radically differing conclusions Next a

Calvinist Daniel Strange and a freewill theist John Sanders explain why for different reasons they think Talbott is mistaken Two chapters tracing universalist teaching in Christian history in general Morwenna Ludlow and evangelical history in particular David Hilborn Don Horrocks precede a final response from Talbott to his interlocutors **The Golden Thread** Ken Vincent,2005-08 The Golden Thread God's Promise of Universal Salvation In our modern pluralistic world the barriers imposed by the old doctrine of religious exclusivity are confronted every day by individuals families and nations Now more than ever the inspirational message of God's Universal and eternal love for all humanity needs to be retold By reacquainting readers with the God who is too good to condemn anyone to Eternal Hell The Golden Thread God's Promise of Universal Salvation offers a Biblical interpretation present in Christianity from the earliest Jesus Followers to the 21st Century Salvation for all is known as Universalism and the idea that all people will be saved either immediately or eventually is called Universal Restoration Proponents of Universalism can be found today within a wide variety of denominations from post Vatican II Catholics to Primitive Baptists The Golden Thread brings together the Bible verses that ancient and modern Universalist theologians have used to show that God is the parent of all and in the end will save the Lost Sheep and the Prodigal Son The Golden Thread continues with 2 000 years of Christian mystical religious experience and modern day near death experiences testimony to God's abiding love for all *The Old Forts Taken* Alonzo Ames Miner,1878 Preacher's Outline & Sermon Bible-KJV-Revelations Leadership Ministries Worldwide,1999-02 What if you could study Revelation with your favorite Bible scholars from across the ages With The Preacher's Outline Sermon Bible you can This unique resource is designed to empower pastors and leaders to effectively preach and teach God's Word This is much more than a commentary it takes the best scholarly works available and combines them in a single resource Inside each volume of The Preacher's Outline Sermon Bible you'll find A verse by verse outline alongside each passage of Scripture that draws out key concepts In depth commentary synthesized from hundreds of trusted sources including Matthew Henry John MacArthur Charles Spurgeon and many more Thoughts designed to provide practical application of Scripture for your congregation Deeper studies that expand on original Greek sources provide historical background and explain key points An Outline Subject Index designed for topical study perfect for quickly creating messages on a particular theme There's a volume of The Preacher's Outline Sermon Bible series for nearly any sermon you can imagine Explore the full series on our website at lmw.org
