In this age when the study of nature is receiving so much attention the teachings of Christ from the things of nature form an interesting addition to the bibliography Both young and old will nd pleasure and profit in reading this comment upon Christ s Parable s Among the lessons are Chapter 1 Teaching in Parables Chapter 2 The Sower Went Forth to Sow Chapter 3 First the Blade Then the Ear Chapter 4 Tares Chapter 5 Like a Grain of Mustard Seed Chapter 6 Other Lessons from Seed Sowing Chapter 7 Like Unto Leaven Chapter 8 Hidden Treasure Chapter 9 The Pearl Chapter 10 The Net Chapter 11 Things New and Old and many more      *China Sunday School Journal* , 1913      **Select Notes on the International Sunday School Lessons** Wilbur Moorehead Smith, 1925      **Helping Hand in Bible-school Work** Seventh Day Baptist General Conference. This book written in simple English is targeted at everyone that can read the scholarly not so scholarly and inquisitive minded persons It should whet the appetite of the inquisitive minded causing them to conduct further researches into numerous other aspects of the person and work of Jesus Christ The book considers the sinfulness of mankind from his fall through the coming of the Savior noting that sin is not the exclusive reserve of any particular people but of the whole of mankind And the salvation that the gracious almighty God offers through Jesus Christ alone is also to not just a few but all who believe in Jesus Christ Jesus Christ is Prophet Priest and King He is also

Savior Redeemer and Judge He is Creator of the universe and the Mediator between God and man There were prophets but Jesus is the Son of God There were priests and high priests who had to enter Gods presence in the holiest place with blood of an animal in their hands But Jesus Christ is the Everlasting High Priest who entered the presence of God with His own unblemished blood once for all and remains with God the Father in heaven pleading our cause There were are kings also But Jesus Christ is the King of kings and Lord of lords There were and are judges But Jesus Christ is the Righteous Judge that will on behalf of God the Father judge the living and the dead without favoritism or sentiments He alone is the Savior and Redeemer of mankind Jesus Christ shall soon return to set up his millennial kingdom on earth

**Christ's Object Lessons** Ellen G. White,1900 This is an attractive grouping of the parable teaching of Christ It links divine truth with common things and incidents which is a prominent characteristic of Him who taught as never man taught In this book the author has developed and illustrated in a beautiful way Christ s teachings An excellent book for Sabbath school teachers and all who wish to know Christ s method of teaching Teaching in Parables The Sower Growth by God s Power The Tares A Grain of Mustard Seed Other Lessons from Seed Sowing Like Unto Leaven Hidden Treasure The Pearl of Great Price The Net Things New and Old Asking to Give Two Worshipers The Power of Prayer This Man Receiveth Sinners The Prodigal Son The Barren Fig Tree Into the Highways and Hedges The Measure of Forgiveness Gain that is Loss The Rich Man and Lazarus Saying and Doing The Lord s Vinyard Without a Wedding Garment Talents The Mammon of Unrighteousness Who Is My Neighbor The Reward of Grace The Ten Virgins The Marriage Feast poetry Scriptural Index General Index      **Home Readings for All Seasons ...** ,1894      King of the North Heidi Heiks,2011-08-31 There are two schools of thought on the interpretation of Daniel 11 especially the closing verses which are seen as still to be fulfilled in the future The first may be called the literal historical view in which the kings of the north and south are seen as literal geo political entities in the present day Middle East Adventist interpreters favored this view until the end of World War I when the British and the Turks fought a battle at Megiddo Armageddon but Christ did not come after it This failure led to the development of the second view what may be called the spiritual or symbolic interpretation By the end of World War II most Adventist interpreters had adopted this view In this case the king of the south no longer refers to Egypt but it is seen as a symbol for an end time spiritual or political power Likewise the king of the north is no longer Syria but an alternate opposing spiritual or political power In this school of thought search is made for a fitting application for these symbols and several possibilities need to be considered Brother Heiks stands squarely within the parameters of the symbolic approach and he has given careful and detailed consideration to the possibilities that need to be examined in carrying out his search for the correct application of these symbols      Holy-days and holidays, a treasury of historical material, sermons, poetry [&c.] relating to holy days and
