Chromecast User Guide Sydney Johnson, 2014-12-13 Known for its creativity ingenuity and innovativeness Google now presents the world with its own version of a TV dongle called Chromecast Chromecast supports a lot of apps that are good sources of movies videos music and other entertainment channels and the list of supported apps just keep growing and growing each day Since the Chromecast device is wireless it presents users with a convenient way of connecting to the Internet You can also use a wide range of devices for this such as your Android and iOS phones and tablets Casting files and presentations from your computer is also supported Costing around 30 to 35 Chromecast is very affordable You can definitely save a lot of money in the long run by downloading free Chromecast supported apps to watch your favorite channels on the Internet instead of subscribing to cable TV Chromecast User Guide Chromecast Setup Guide with Tips and Tricks will help you understand what Google Chromecast is It is also a good source of tips and tricks on how you can maximize the use of said device for your entertainment and professional needs Inside you ll discover Setting Up the Chromecast on Your Device Chromecast Factory Reset Supported Apps and Sites Using Android and iOS Broadcasting Chromecast From Your Computer Using Your Android and iOS Device as a Remote Control Presentation From Google Drive Turning Your Home Theatre Into Video Jukebox Play Nintendo Wii Type Games Using Your Smartphone Turn Your TV Into a Lava Lamp Using Chromecast And so much more If you want to use your Chromecast for more than its basic functions then have a copy of this eBook now and learn how to maximize the use of your device *Chromecast User's Manual Streaming Media Setup Guide with Extra Tips and Tricks!* Shelby Johnson, 2014-02-06 Are you a new owner of the Chromecast dongle from Google and want to learn how to set up your device install various apps or add ons and get more out of it This is the helpful guide book for you which includes Chromecast tips and tricks for streaming to your TV What s in this guide How to install and set up Chromecast with your TV and other devices Tips tricks to use with the Chromecast How to set up Chromecast with smartphones tablets laptops Mac Mini How to stream music from iTunes or Spotify onto your TV Using multiple Chromecasts in same home or office How to cast your entire computer display to your TV Using a special app to get more out of Chromecast Tips tricks for improving your playback quality and internet network speed Websites with full episodes of free TV shows and other video content you can stream to your Chromecast on your TV Shelby Johnson has already helped thousands of technology device owners to understand their gadgets and use them in more ways than they originally thought possible Her latest book is yet another insightful guide which can help Google Chromecast owners get even more out of the media streaming dongle device Note This guide is meant as a companion to any official instructions paperwork or manuals included with Chromecast in the box or on Google s various websites This eBook is also the United States version Users of Chromecast in foreign countries may experience different results or need to use different instructions with their device [Advanced Chromecast Tips and Tricks \(Chromecast User Guide\)](#): Lisa Thompson, 2015-01-06 The Google Chromecast is an amazing device It can allow you to

watch an unlimited number of on demand videos from YouTube Google Play TV but on your television instead of your computer screen If you have been spending money on expensive premium cable services in the past the Chromecast can even help to reduce these costs by providing you with other options However there is one problem that you may run into if you own or are considering owning a Chromecast Google provides very little documentation as to how this device works If the only thing you want to do with your Chromecast is to watch a few videos from Hulu or Google Play then you can probably get by on learning how to use the Chromecast solely from the information that Google provides on its website But what if you want to use unofficial services such as the free versions of Hulu or Spotify Or what if you want to use your Google Chromecast to make business presentations For another example what if you want to turn your computer into a wireless media server or share your Android or iOS screen to your television If you want to use your Chromecast for more than just its basic functions you will need a user s guide to do so Unfortunately though many Chromecast user s guides on the market are outdated and employ complicated workarounds in cases where they are not necessary Because of this problem I have created a Chromecast user s guide that provides the simplest answers to any Chromecast issue and that is completely up to date Here are just some of the topics covered in Chromecast Guide Google Chromecast Tips Tricks How to connect and set up your Chromecast Factory resetting your Chromecast How to use your Chromecast to give presentations Using your Android or iOS device as a remote control A complete description of the best services to use with your Chromecast such as Hulu Pandora Radio Crackle and many others How to watch Hulu on your television without paying for the premium service How to listen to Spotify music on your television or through your stereo system How to display web content on your television How to use your television to mirror the screen of your smart phone How to use your computer as a wireless media server How to cast music and video from the Kindle Fire How to configure Amazon Instant Video so that it will display on your television How to use your smart phone to turn on your TV And many other topics that explain how to get the most out of your Chromecast Get a copy of this book now and unlock the power of your Chromecast device [Chromecast User Guide](#)
