Church Custodian Checklist:

Church Plantology Peyton Jones, 2021-04-20 The first comprehensive textbook on effective church planting from a veteran church planter The Apostle Paul was a veteran church planter who laid a foundation like a wise and master builder and there is much we can learn from his example Paul indicated that there were basic skills and experiences required to successfully plant a church Church Plantology examines the wide variety of church planting methods and ideologies in contemporary pastoral practice and outlines a biblical model based on the New Testament During his time in prison Paul spent much of his time writing to Titus Timothy and others who d served alongside him in the trenches to complete their training as church plantings We can continue to apply these time tested proven methods following the pioneering example of the early church Today the casualty rate in is high What if we could reduce the odds of failing Church Plantology by Peyton Jones is a robust guide to planting that will help planters to provide the foundation necessary to survive beyond the initial first years so that they don t end up a walking statistic

How to Lead a Church to Reach People and Grow Robert A. Young, 2009-05 This book presents a unique approach to church growth It is written mainly to help churches that are declining but will help all churches The underlying premise is that churches do not grow and reach new people because they do not know how or because they are so poorly structured and organized that they spend most of their time and efforts in conflict This disrupts the fellowship and leaves very little time and energy for reaching new people The subtitle could be Fifteen Essential Steps To Growth Basic growth and administrative principles The combining of these areas makes this a unique book Young has brought together these basic elements from over 40 years of experience The book is a practical guide for a local church to follow to function efficiently and effectively and reach people for Christ When the steps are followed and in the proper order the church can pretty well be assured of growth and effective ministry Dr Robert A Young is currently President of Samuelite Corp Church Outreach and Consulting He served as Associate Pastor Administration of Walnut Street Baptist Church Louisville KY and Park Cities Baptist Church Dallas TX and President of the National Association of Church Business Administration He has conducted Total Church Consultations and Capital Fund Campaigns for churches of all sizes and denominations He is now available to serve churches as a consultant in these areas He is also the author of The Development of A Church Manual of Administrative Policies

Power and Purpose Adam Edward Hollowell, 2015-01-26 Not long ago Paul Ramsey 1913 1988 was a leading voice in North American Christian ethics Today however his intellectual legacy is in question and his work is largely ignored by current scholars in the field Against the tide of that neglect Adam Edward Hollowell argues in Power and Purpose that Ramsey s work can still yield considerable insight

for contemporary Christian political theology Hollowell shows the influences of Jean Jacques Rousseau and Karl Barth on Ramsey s early work discusses his conversations with political theologians of his generation including Reinhold and Richard Niebuhr and Joseph Fletcher considers his influence on the early virtue theory of Jean Porter and Oliver O Donovan and places Ramsey s work in conversation with more recent voices in Christian ethics including John Bowlin Jennifer Herdt Charles Mathewes Eric Gregory and Daniel Bell Hollowell thus forges new connections between Ramsey and contemporary debates in political theology on such issues as political authority power just war and torture Hollowell s *Power and Purpose* also revisits well known aspects of Ramsey s work for example his insistence on the political significance of God s covenant with creation and offers an original account of the role of judgment in his theology of repentance The book dedicates considerable attention to Ramsey s description of practical reasoning and highlights his commitment to the virtues especially prudence This accessible introduction to Paul Ramsey will appeal to a wide swath of scholars and students in Christian ethics and political theology
