Ebay Motors Parts User Manual:

The Pocket Idiot's Guide to EBay Motors Lissa McGrath, 2008 Online auction site eBay has exploded since its inception and now its motor vehicle sales arm is exploding as well. If you've bought or sold items on eBay before you have some idea of the process but buying or selling a vehicle over an online auction is more involved than selling your mother's teakettle. The buyer needs to know what to look for and what to watch out for above and beyond the ordinary considerations of buying a vehicle. And for the seller descriptions, photos and most other details are much more involved than when selling other ordinary items on eBay.

EBay Motors the Smart Way Joseph T. Sinclair, Don Spillane, 2004 In 2002 300 000 vehicles with a total value of 3 billion were sold on one Web site. Is it any surprise the site is eBay? For buyers, sellers, dealers and parts and accessories vendors there's simply no other marketplace to match the huge selection, broad exposure and ease of use that are eBay's hallmarks. EBay Motors the Smart Way offers sellers and dealers strategies for setting and getting top price for any vehicle, techniques for creating attention grabbing auction ads, new ways to add value with superior customer service, valuable tips for using auction management services and other time saving resources, proven methods for maximizing reputation. Also a valuable tool for buyers, the book shows how to determine a vehicle's value, how to find great deals and bargains, arrange an inspection and run a lemon check, secure financing for an online vehicle purchase. EBay Motors the Smart Way offers valuable information for all readers on how to avoid fraud and scams, how to properly document your transactions and how to conform to state vehicle laws even when transacting business over state lines. From Maserati to MoPeds, Acura to Zambonis, if it runs on a motor it'll take off on eBay.
