He accidentally impregnates her then confesses to the whole world that he wants to sleep with her again. Knowing Clarice will think he's the same playboy Casanova as always, Hunter is determined to prove her wrong by being the perfect partner and father for their baby. But nosy people tend to crop up where he least expects them out to destroy his chances. The Spinster. All Clarice Mason's thoughts are preoccupied with her unborn baby. When Hunter comes barging into her life claiming he's taking responsibility as the father, it's like he's grown three heads. She can take care of herself. It is her baby after all. If the father of her baby is this Casanova, then she would prefer he's not involved at all. But when Hunter begins displaying all the traits she so desires in a man, she knows her heart is in grave danger. How can Hunter prove to her that he is utterly and undeniably in love with her? That he's giving her his heart and soul for all eternity. All he wants to say are those three words that will bind him to her forever.
