Baby Shoes Blues Poems:

Baby Shoes Blues Doyle D Newsom, 2014-12-30 This book *Baby Shoes Blues* is not only a collection of individual and disparate poems it is a wildly imaginative narrative of a seasoned man's life. It begins in dreams of innocence and yet portends the experiences of war and the terrible trauma ahead. The stories that follow are unusual and true and present a picture of war not ordinarily seen that will speak quietly but clearly to veterans and non-veterans alike. The narrative continues in the melancholy time of recovery and healing and if you need or if you have ever needed healing it will touch your soul. Nowhere is healing more evident than in the ability to laugh at yourself and to see ridiculous claptrap for what it really is. Then when your spiritual eyes are open and you can see how hilarious we all are you can see your way home. It may be a way filled with great struggle but there are great blessings for those who will look to find them. The Blues are the blues but sometimes they feel good. *Where's Thena? I Need a Poem About...* Thena Smith, 2006-06-15 The poems are arranged by easy to use topics and include choices from the serious to the downright silly. There are poems about adult subjects as well as for and about children. Other subjects include Nature, Pets and Teddy Bears, Babies and Boys and Girls. Also included are some hard to find subjects for Special Needs Children and Memorial poems and Poems of loss. Thena has been encouraged for years by ladies on the message boards to put her poems in book form.

Yet his poetry is relatively little known in the English speaking world. This title takes its cue from a poem about the artist's legacy and looks at how Brecht's work might read today. **An Introduction to Poetry** X. J.
