A Path to a Successful Career in Sales Ken Ciulla, 2025-08-13 It's uncommon for people to become sales professionals because that was their original plan In the media the sales profession is rarely shown in a favorable light In most cases sales professionals are depicted as dishonest Kurt Russell in the movie *Used Cars* the schmoozers and boozers John M Slattery in the hit TV show *Mad Men* over stressed and miserable Jack Lemmon in the movie *Glenngary Glen Ross* at the mercy of demanding customers the many viral videos featuring Karens as morons Chris Farley in the movie *Tommy Boy* or as comic relief Joe Pesci as a real estate agent in *Lethal Weapon 3* The reality is that none of these examples accurately reflects what a sales professional is in real life or how rewarding a sales career can be In *A Path to A Successful Career In Sales* you will learn what the most successful sales professionals do best the talents and skills required and how to get started In addition you will be provided with guidelines both written and unwritten that will enable you to accelerate your career development avoid common mistakes that can hold you back as well as those that will quite simply stated keep you from getting yourself

fired The sales profession will be discussed from a broader perspective beyond simply maximizing earnings potential to show how rewarding it can be while maintaining appropriate boundaries with customers and a healthy work life balance in a demanding over connected world Contrary to how we are shown the profession in the media a career as a sales professional is one that requires resilience adaptability problem solving and a sharp intellect After finishing this book and following Ken Ciulla s guidelines you will come to realize that sales can be a highly lucrative and satisfying career path About the Author As a professional Ken Ciulla has twenty nine years of proven sales account management and leadership success in multiple industries earning many awards along the way He is a certified sales process trainer who has trained hundreds of sales professionals over the course of his career not only facilitating programs but creating them as well Ken is happily married to a woman who he believes is the sun in his sky They have a blended family of four adult children one granddaughter and a sweetheart of a Yellow Lab named Penny Ken is an introvert and does not feel entirely comfortable in larger social situations He prefers to spend his free time with family and close friends When not doing that he enjoys reading cooking writing playing RPG and strategy based video games and watching football He really enjoys science fiction in all forms such as books TV shows movies and video games
