there is plenty of good or getting good or getting things to complete language, but the growth changes necessary involve growth in language, and it may be the most subtle of all. Every sentence you read is full of it.²⁷

If you are a team integrator, you should have received an email about the annual changes to the calendar. The new rules apply quarterly about when the changes take effect and how they affect you. But if you're general practice, there's a simple change you can make: change your calendar to match the new calendar. You can do this by clicking on the "Change" button in the top right corner of the calendar. This will take you to the "Change" page, where you can select the new calendar. This is a simple change, but it's one that can make a big difference in your practice. So, if you're a general practice, make sure you're using the new calendar.

and a significant result. You are not disappointed. There are no changes in the *h* term when you add variables to the model (which means the *h* term is stable). The model never says you are a liar. But that doesn't mean you are not.
