Bait Of Satan Discussion Guide:

The Bait of Satan John Bevere, 1997-07 This study guide accompanies John Bevere's book *The Bait of Satan* and is designed for individuals or small groups who desire to identify the tactics of Satan and break free from his influences. Numerous interactive tools facilitate study. [Summary of The Bait of Satan, 20th Anniversary Edition](#) SellWave Audio, 2025-11-13 *The Bait of Satan* by John Bevere explores one of the most subtle and destructive snares that can derail a believer's walk with God: offense. Offense can damage relationships, create bitterness, and keep Christians from fulfilling God's will. Drawing from Luke 17:1, "It is impossible that no offenses should come," Bevere emphasizes that while offense is inevitable, our response is a choice. In this twentieth anniversary edition, Bevere provides guidance for recognizing the traps that lie ahead and offers practical steps for avoiding the victim mentality. Through declaration-style prayers, real-life testimonials, and clear biblical insights, readers learn how to confront offense, release resentment, and maintain freedom in Christ. The book challenges believers to stop allowing offense to dictate their lives, showing how forgiveness and vigilance can restore relationships and strengthen one's spiritual walk. Ultimately, *The Bait of Satan* is a roadmap for cultivating resilience, staying spiritually alert, and experiencing the fullness of God's will without being ensnared by the destructive power of offense.

Lessons from Eve Study Guide Michelle Ferguson, 2024-03-19 *YOUR SELF WORTH IS UNDER ATTACK* Do you feel trapped by your past? Do you constantly compare yourself to others or feel you're just not good enough? These attacks on your self-worth from the negativity of the world may cause you to miss what God truly desires for you. These are the same lies Satan used on Eve to make her question the goodness of God and her true identity. She lost her glorious crown and set in motion the fall of humanity. But in Christ Jesus, your glory has been restored, and you have been given a new destiny. In *Lessons from Eve*, international minister Michelle Ferguson reveals the subtle lies the enemy uses to steal your purpose and the tactics you need to take back your identity in Christ. Begin to own who you are in Jesus. Recognize the inner majesty God has given you. Protect your heart and the boundaries of your life. Watch closely when things look too good. Be wary of devious distractions. Use your influence with wisdom. Learn to recognize the oppression of the enemy and take back your true and glorious identity in Christ Jesus. **Be Angry but Don't Blow It** Lisa Bevere, 2007-09-16 Conflict is unavoidable. Therefore, each of us must learn to manage it successfully. But what if we can't? What if anger has us out of control and out of hand? You're passionate and losing your cool. Or perhaps worse, you're depressed and wrought with fear because you've turned the destructive force of rage on yourself. Lisa Bevere understands. Anger controlled her for years, exacting a devastating toll upon her life and relationships. Desperate, Lisa cried out to God and found help. If you too are at a turning point, longing for change yet stuck in a whirlwind of fury and rage, *Be Angry But Don't Blow It* will help you regain control. Sharing all she has learned about handling this powerful emotion, Lisa discusses how you can learn to say things so you'll be heard. Move beyond mere apologies into genuine confession. Yank the defiling root of bitterness. Find forgiveness and release.

Sample Book Insights 1 The enemy s most deadly and deceptive trap is the offense trap It severs relationships widens the existing breaches between us and handicaps us from fulfilling our full potential 2 The Greek word skandalon which is used to describe the offense of Luke 17 1 originally referred to the part of the trap to which the bait was attached It is used in the New Testament to describe an entrapment used by the enemy 3 When we are offended we fall into one of two categories those who have been treated unjustly and those who believe they have been treated unjustly The latter category is made up of people who have been wronged but their understanding is darkened because their assumptions are inaccurate or their information is accurate but their conclusion is distorted 4 The enemy keeps you in an offended state by keeping the offense hidden cloaked with pride Pride keeps you from admitting your true condition It distorts your vision You never change when you believe everything is fine
