Culinary Colonialism, Caribbean Cookbooks, and Recipes for National Independence Keja L. Valens, 2024-02-16 Women across the Caribbean have been writing reading and exchanging cookbooks since at least the turn of the nineteenth century. These cookbooks are about much more than cooking. Through cookbooks Caribbean women and a few men have shaped embedded and contested colonial and domestic orders delineated the contours of independent national cultures and transformed tastes for independence into flavors of domestic autonomy. Culinary Colonialism Caribbean Cookbooks and Recipes for National Independence integrates new documents into the Caribbean archive and presents them in a rare pan Caribbean perspective. The first book length consideration of Caribbean cookbooks Culinary Colonialism joins a growing body of work in Caribbean studies and food studies that considers the intersections of food writing race class gender and nationality. A selection of recipes culled from the archive that Culinary Colonialism assembles allows readers to savor the confluence of culinary traditions and local specifications that connect and distinguish national cuisines in the Caribbean.

Creoleana, Or, Social and Domestic Scenes and Incidents in Barbados in Days of Yore J. W. Orderson, 2002 Set in the Barbados of the 1790s this is perhaps the earliest novel of the Anglophone Caribbean to have been written by a native of the region.

Cultures of Color in America Sybil Lassiter, 1998-01-26 By the year 2000 more than one third of Americans will be persons of color and by 2050 non white persons will constitute 45% of the population. Immigration from European countries has decreased but the number of migrants from countries of non white ancestry has increased. Consequently many Americans are showing a growing interest in knowledge about the values and behaviors of their diverse associates. This book offers an insight into the diverse lifestyles for some cultures of color in American society. Although all members of these cultures may not identify themselves as persons of color the cultures were selected because they incorporate a significant number of non white individuals. Each chapter presents an overview of a cultural group that includes a brief history migration trends traditional and modern family practices religious beliefs concepts about death and dying nutritional preferences health behaviors and diseases often found among its members. The cultures discussed are Africans African Americans Alaskans Asians Haitians Hawaiians Native Americans Puerto Ricans and West Indians. This book should be of interest to academics health care professionals sociologists clergy and laypersons. Its goal is to alleviate fear and prejudice through informed understanding.
