explores Spiller's life in the suburbs in Northern California in the 1960's learning to cook by her mother's side as remembered through the recipe box. What emerges is a portrait of someone whose hopes, dreams and desires for herself as a career woman, writer and artist were stifled by the pressure to pursue the conventional female roles of wife and mother but who found expression through her daughter, an author and artist. A memoir that extends beyond the relationship between Spiller and her mother, the book is universal for all mothers and daughters and what, as they say, is baked into the cake. This has been illustrated by the author with more than a dozen color illustrations. Japanese Dishes for Wine Lovers □□□□, J. K. Whelehan, 2005-02-25.
