**Baby Cain is Born** Andrew Jenniskens,2014      **Traditions of the Bible** James L. KUGEL,James L Kugel,2009-06-30  
James Kugel s *The Bible As It Was* 1997 has been welcomed with universal praise Here now is the full scholarly edition of this wonderfully rich and illuminating work expanding the author s findings into an incomparable reference work Focusing on two dozen core stories in the Pentateuch from the Creation and Tree of Knowledge through the Exodus from Egypt and journey to the Promised Land James Kugel shows us how the earliest interpreters of the scriptures radically transformed the Bible and made it into the book that has come down to us today Kugel explains how and why the writers of this formative age of interpretation roughly 200 B C E to 150 C E assumed such a significant role Mining their writings including the Dead Sea Scrolls works of Philo and Josephus and letters of the Apostle Paul and writings of the Apostolic Fathers and the rabbinic Sages he quotes for us the seminal passages that uncover this crucial interpretive process For this full scale reference work Kugel has added a substantial treasury of sources and passages for each of the 24 Bible stories It will serve as a unique guide and sourcebook for biblical interpretation      *The Bible As It Was* James L. Kugel,1999-11-01 Leading us chapter by chapter through the Hebrew Bible s most important stories from the Creation and the Tree of Knowledge through the Exodus from Egypt and the journey to the Promised Land Kugel shows how a group of anonymous ancient interpreters radically transformed the Bible and made it into the book that has come down to us today      *Ghetto Religiosity II* Khalil Amani,2001-08 The primary focus of this book is our religious understanding of sex It is the author s premise that the sexual attitudes of today were erroneously and maliciously set up by men whose ultimate aim was to control the sexual practices of the ancient Jews and the rights of women Most controversial is our present view of homosexuality and how the Bible has thoroughly misshaped our ideas about homosexual love The case is made that homosexuality is not a sin against God but rather a conspiracy conjured up by the machinations of the ancient Levitical priests It s high time someone came along with a voice that speaks the truth about our Western brainwashing without trying to proselytize to a particular brand of religion Someone that doesn t skirt the issues because of denominational ties I cannot be excommunicated defrocked or untenured Neither am I bound by the Masonic sword I speak freely Many preachers merely parrot the party line to keep their congregation in a religious coma extracting thousands and millions of dollars to feed their ostentatious lifestyle If you want to know the truth here it is Peep it and recognize The Author      **Loss and Bereavement in Childbearing** Rosemary Mander,2007-04-11 Written by an experienced midwife and researcher Assumes no professional experience of loss and bereavement Places emphasis on the mother and family Accessible and easy to read Revised edition will have new chapter on the death of the mother      **Little Hearts for Jesus** Sally Pierson Dillon,1999      *History of Johnson County, Iowa, Containing a History of the County, and Its Townships, Cities and Villages from 1836 to 1882*,1883      **The Inclusive Bible** Priests for Equality,2009-03-16 While this new Bible is certainly an inclusive language translation it is much more it is a re

imagining of the scriptures and our relationship to them Not merely replacing male pronouns the translators have rethought what kind of language has built barriers between the text and its readers Seeking to be faithful to the original languages they have sought new and non sexist ways to express the same ancient truths The Inclusive Bible is a fresh dynamic translation into modern English carefully crafted to let the power and poetry of the language shine forth particularly when read aloud giving it an immediacy and intimacy rarely found in traditional translations of the Bible The Inclusive Bible contains both the Old and the New Testaments **Peck's Boss Book** George Wilbur Peck,1900 **The children. s pictorial Bible, an abridgment of the Old and New Testaments, with notes** ,1882 *Watching God Woo the World* Ruth E.

Correll,2022-06-02 Do you wonder how a thick book with thin pages of fine print written centuries ago remains the world s all time best seller Matchless stories occupy nearly half the Bible but you need to know they exist and where to find them In *Watching God Woo the World* author Ruth E Correll brings the Bible s great story to life through accounts that include both genders This guidebook features more than seventy selected Bible stories of the all encompassing human male and female linkages in the family of origin sexual encounter s and other functional affiliations in the wider community In the book they are labeled like this BLOOD father daughter FD mother son MS brother sister BS SEX husband wife HW not married NM or PEERS peers in the plot PP with no blood or sexual ties These three kinds of bonds flow from the triune God s all encompassing love that offers a true family identity ready mercy to heal and to bless and graceful guidance into a life of good will and service Correll who has witnessed Bible stories stir and inspire adults for over fifty years presents keen insights into the Bible which gives witness to the character actions and purposes of God Cyclopaedia of Biblical, Theological, and Ecclesiastical Literature John McClintock,James Strong,1877 **The Manifestation of the Idea** Homer Edmund Newman,1900 **The Christian Century** ,1963 Scribners Monthly Josiah Gilbert Holland,Richard Watson Gilder,1873 Scribner's Monthly, an Illustrated Magazine for the People ,1873 **New-Church Messenger** ,1907 **The Christian Union** Henry Ward Beecher,1887 **Rosicrucian Fellowship Magazine** ,1917 **The Christian Union** ,1887
