Babylon The Bitch Enemy Of Israel Prophecy Book 3:

Babylon the Bitch Prince Handley, 2014-10-24 It has been estimated that the Nazi Holocaust killed one Jew in three The worst is yet to come The next and soon coming Holocaust will take two out of three Jews And it shall come to pass that in all the land says the LORD two parts therein shall be cut off and die but the third shall be left therein Tanakh Zechariah 13 8 This book discusses in detail how the enemy of Israel Satan will try to juxtaposition Babylon a real city in opposition to Jerusalem both spiritually and physically Most people do NOT realize that the KEY enemy of Israel has clandestine architectural and strategic as well as spiritual plans against Israel Plans that include much more than Iran or ISIS or the United Nations After Israel s future military victory the greatest since Passover in Egypt will come her weakest moment unless she listens to the warnings and suggestions in this book This is NOT just a juxtaposition of position but of timing as well Referencing the not so distant End Time prophetic events real time real events with the present geopolitical landscape the reader will be able to understand The soon coming and the worst Jewish Holocaust Babylon New World Order substitute for Jerusalem and The only game plan that will work for Israel and the Jews **Israel's Eschatological Enemy** Timothy Allen Little, 2020-05-01 Who is the king of Babylon in Isaiah 14 The early church sometimes identified him as Nebuchadnezzar but most also saw a deeper meaning in Isa 14 12 14 believing this section referred to Satan Many current scholars reject both views and offer a variety of alternatives Little argues that shining one Lucifer in Isa 14 12 is the king of Babylon This book analyzes the mashal proverb genre and argues that the Isa 14 mashal must be a real person not a symbolic ideal eclectic or representative king Scholars have presented nine historic kings as the king of Babylon Little compiles a list of fifteen criteria from Isa 13 14 evaluates these nine kings and demonstrates that no historic king comes close to fulfilling the fifteen criteria Instead Little argues that the king of Babylon is Israel s eschatological enemy Through the use of catchwords and temporal particles he first demonstrates that the oracle is a unit Then he proves that this Babylonian judgment is eschatological All foreign languages have been translated allowing the student of prophecy and theology to benefit from this work Those interested in the mashal genre Hebrew poetry and Isaianic exegesis will also find this book stimulating *The Second Coming of Babylon* Mark Hitchcock, 2010-04-14 The Bible says that Babylon will be rebuilt and become the economic center of the world Even now the ruins of the ancient city just sixty miles south of Baghdad Iraq are quietly stirring What does it mean for America For Israel For every person alive today Are we living in the last days of earth as we know it Find out from Bible prophecy expert Mark Hitchcock 1 How the focus of the world will shift back to Babylon 2 How Antichrist will make Babylon his capital 3 How the kingdoms of earth will fade as Babylon rises 4 How the false powers of Antichrist will grow 5 How prophecy will be fulfilled and Babylon finally destroyed *False Prophecies about Israel, Babylon, & Armageddon* Steve Wohlberg, 2018-09-10 Today literally millions of people who study Bible prophecy have their eyes fixed upon Jerusalem Right now all over the planet Earth Christians are talking about the modern nation of Israel a

future rebuilt Jewish temple and a final bloody battle called Armageddon when hostile nations marshal their forces for war against the Jews Do the climactic end time prophecies of the book of Revelation really focus on the Middle East This book takes a close look at the prophetic ideas of the majority of the Christian world Based solidly on the Bible its message could save your life **Whore of Babylon in Bible Prophecy** Erika Grey,2017-09-06 Unveiling the Whore of Babylon A

Edition not minor revision If you are looking for an analysis of Babylon the Great to determine if it might be the United States of America then this book is for you One of the most difficult things I had to do in order to correctly interpret Bible prophecy was come to the realization that America is Babylon the Great BTG I did not want to believe it But after years of study the evidence forced me to that conclusion Then I realized that most nations of the world will suffer great destruction to one degree or another based on their sins So America will also suffer for its sinfulness I also came to understand that Babylon the Great BTG is not all of America it is ONLY wicked America God will destroy wicked America but he will save a righteous remnant from those who do not go in the Rapture to rebuild the nation During the past 10 years I saw such great decline in America that I can now see why America will be destroyed and also why it must be destroyed But America will NOT be destroyed before the start of the Great Tribulation GT which is so often claimed but will only be wounded at the start of the GT but will be nuked and then invaded at the end of the GT The nuclear war and invasion of America are the last acts of the beast a Revised Islamic Empire and its allies Russia and China and North Korea in its attempt to totally destroy Christianity and the Christians in America Then Christ returns to save the world by destroying the evil that is taking over the world Many people misinterpret Babylon the Great BTG harlot prostitute in Revelation 17 and 18 She has been interpreted to be the Roman Catholic Church the Protestant Church Jerusalem Islam Saudi Arabia and who knows what else I will provide a mountain of evidence and explain in detail how America is political Babylon which is the government of the United States of America cultural Babylon which is the polluted culture of America that is formed by movies TV and music and economic Babylon that is capitalism which is headquartered in America America being the premier capitalist nation in the world If Babylon is also a city then it is New York City Like my other two books on Bible prophecy there is a lot of new insights in this book that are not found in any other book on Babylon the Great and America I also discuss the Old Testament references to

an end time Babylon which is not a rebuilt city in Iraq but can only be the same as Mystery Babylon in Revelation And I will discuss the founding of America how it was founded with a de facto covenant with God de facto means being in effect though not formally recognized But America also is chosen of God because it was one of the nations that God promised to Abraham Yes God promised Abraham more than one nation It is likely the main reason that America became the greatest and most powerful nation the world has ever seen I also show how America will be split into three parts by a huge global earthquake Rev 16 after it betrays Israel One split will be along the Mississippi River the other in California This book also includes a discussion of Gog and Magog of Ezekiel 38 which gives us details for two wars not just one One will be an invasion of Israel the other will be an invasion of America In the appendix I discuss the misinterpretation of Walid Shoebat showing that his view of BTG being Saudi Arabia is grossly wrong This is Book 3 of the Bible Prophecy Revealed series which is a complete teaching on Bible prophecy If you liked the other two books you will like this one This is edition 1 75 with some slight improvements Book 4 is now available *The Fall of Babylon the Great America: Revised and Expanded* Michael D. Fortner, 2015-05-18 Revised and Expanded 3rd edition Sept 2017 Now at Version 3 3 May 2018 This is an analysis of Babylon the Great and shows that it is the United States of America One of the most difficult things I had to do in my study of Bible prophecy was come to the realization that America is Babylon the Great BTG I did not want to believe it I resisted because it means that America will be destroyed in a nuclear holocaust But after years of study the evidence forced me to that conclusion Then I realized that most nations of the world will suffer great destruction to one degree or another based on their sins So America will also suffer for its sinfulness I also came to understand that BTG is not all of America it is ONLY wicked America God will destroy wicked America but he will save a righteous remnant from those who do not go in the Rapture During the past 10 years I saw such great decline in America that I can now see why America will be destroyed and also why it must be destroyed But America will NOT be destroyed before the start of the Great Tribulation GT which is so often claimed but will only be wounded at the start but will be nuked and then invaded at the end of the GT The nuclear war and invasion of America are the last acts of the beast a Revised Islamic Empire and its allies Russia and China and North Korea in its attempt to totally destroy Christianity and the Christians in America Then Christ returns to save the world by destroying the evil that is taking over the world Many people misinterpret Babylon the Great BTG harlot prostitute in Revelation 17 and 18 She has been interpreted to be the Roman Catholic Church the Protestant Church Jerusalem Islam Saudi Arabia and who knows what else I will provide a mountain of evidence and explain in detail how America is political Babylon cultural Babylon and economic Babylon If Babylon is also a city then it is New York City Like my other books on Bible prophecy there is a lot of new insights in this book that are not found in any other book on Babylon the Great and America I also discuss the Old Testament references to an end time Babylon which is not a rebuilt city in Iraq but can only be the same as Mystery Babylon in Revelation And I will discuss the founding of America how it was founded with a de facto

covenant with God de facto means being in effect though not formally recognized But America also is chosen of God because it was one of the nations that God promised to Abraham Yes God promised Abraham more than one nation It is likely the main reason that America became the greatest and most powerful nation the world has ever seen This book also includes dreams and visions from ancient times to modern even George Washington s vision We will discuss how America will be destroyed in a nuclear holocaust and be invaded but Christ will return to save humanity and civilization from total destruction I also show how America will be split into three parts by a huge global earthquake Rev 16 after it betrays Israel One split will be along the Mississippi River Some of the prophecies say that America will have another civil war which allows it to be nuked and invaded Are we seeing the start of it now in 2016 with riots by people who do not believe in democracy There is also a discussion of Gog and Magog of Ezekiel 38 which gives us details for two wars not just one One will be an invasion of Israel the other will be an invasion of America In the appendix I discuss the wrong interpretation of Walid Shoebat showing that his view of Babylon being Saudi Arabia is extremely wrong This is Book 3 of the Bible Prophecy Revealed series of books on Bible prophecy which is a complete teaching on Bible prophecy If you liked the other two books you will like this one

She Who Restores the Roman Empire David Criswell,2002-10 Of The Biblical prophecy of the Whore of Babylon St Augustine said that the Church of Rome would one day apostatize while St Jerome hinted that the day of apostasy may have already begun but today even many Protestants reject this notion arguing instead that a new Babylonian kingdom will arise in Iraq She Who Restores the Roman Empire is a thorough survey of this controversial prophecy It examines the prophetic interpretations throughout history and shows their impact upon history It shows how the prophecy itself helped shaped the Reformation and counter Reformation It also discusses the newer interpretations which predict a revival of ancient Babylon or a global New Age religion Dr Criswell s conclusion is based on thorough exegesis and on historical precedent He contends that it is the Harlot who will initiate the restoration of the Roman Empire and the anti Christ will initially be his puppet before turning on her and destroying her great city Napoleon was an archetype of the coming anti Christ who will promise a new world but deliver destruction David Criswell has done an outstanding job in handling the subject of Babylon the Harlot in the book of Revelation As a Tyndale Seminary graduate student he was a thorough researcher and scholar No matter what your view on the Babylon issue this book is a classic at analyzing the subject The reader will find this treatise a fascinating adventure in Bible study Dr Mal Couch president Tyndale Seminary

The Whore of Babylon Benjamin Breece,2023-11-09 This books asks you to set aside your preconceptions and confirmation bias and simply examine what the Scriptures say especially in prophecy If it is too difficult for you to reconsider mainstream understandings of what the Scripture says about things such

as the doctrine of the Trinity the corruption of the Church whether or not Muhammad was a prophet etc then this book is not for you If you are willing to look and study then this book can serve as a tool in understanding Bible prophecy It begins with the Babylonian exile then continues through the rise of the Persians Greeks and Romans the coming of the Messiah the rise and corruption of the Church the rise of Islam the reemergence of the corrupt Church the return of Jesus and the establishment of God s kingdom The prophecies serve as a warning to those who follow the traditions of the Church instead of Scripture However the primary mission of the prophets wasn t to make predictions but to provide guidance I believe the prophecies indicate that the church corrupted the teachings of Jesus and what is preached today bears little resemblance what he preached The 17th and 18th chapters of Revelation describe it as the Great Whore Babylon from which this book gets its title An open minded study of Revelation also seems to indicate that God gave Muhammad a message to get the Church to repent of its blasphemies and worship only one person as God It seems to indicate that Protestantism aided by America will form an image to the beast Roman Church and will join the fight against the followers of God This book goes into great detail in the prophecies of Daniel and Revelation and the rest of Scripture in order to let the Scripture do the interpreting One should always let the Bible provide the meanings of symbols and interpret accordingly I make every effort to only draw interpretations from Scripture instead of reading interpretations into the text In fact I prefer to simply quote the Scripture and let it speak for itself However I don t make any kind of claim that the contents of this book were revealed to me directly from God You should place your faith in the Scriptures and only accept the points that you can clearly see the Scriptures saying 2nd expanded edition black and white *The Whore of Babylon: God's Warning to the Last Day Church* Benjamin Breece, 2017-04-17 This books asks you to set aside your preconceptions and confirmation bias and simply examine what the Scriptures say especially in prophecy If it is too difficult for you to reconsider mainstream understandings of what the Scripture says about things such as the doctrine of the Trinity the corruption of the Church whether or not Muhammad was a prophet etc then this book is not for you If you are willing to look and study then this book can serve as a tool in understanding Bible prophecy It begins with the Babylonian exile then continues through the rise of the Persians Greeks and Romans the coming of the Messiah the rise and corruption of the Church the rise of Islam the reemergence of the corrupt Church the return of Jesus and the establishment of God s kingdom The prophecies serve as a warning to those who follow the traditions of the Church instead of Scripture However the primary mission of the prophets wasn t to make predictions but to provide guidance I believe the prophecies indicate that the church corrupted the teachings of Jesus and what is preached today bears little resemblance what he preached The 17th and 18th chapters of Revelation describe it as the Great Whore Babylon from which this book gets its title An open minded study of Revelation also seems to indicate that God gave Muhammad a message to get the Church to repent of its blasphemies and worship only one person as God It seems to indicate that Protestantism aided by America will form an image to the beast Roman Church and will join the fight against the

be an invasion of Israel the other will be an invasion of America In the appendix I discuss the wrong interpretation of Walid Shoebat showing that his view of Babylon being Saudi Arabia is grossly wrong This is Book 3 of the Bible Prophecy Revealed series of books on Bible prophecy which is a complete teaching on Bible prophecy If you liked the other two books you will like this one If you did not like the other two you will not like this one In Part 2 I discuss the identity of the Antichrist who is a former US president who will come back into power He will likely rule only some of the US states after the nation splits And I show how the DeepState is the power behind the World Economic Forum that are currently implementing their plans for global tyranny
