Golden Temple and the Punjab Historiography Dr. Nazer Singh, 2021-09-15 This book deals with the British discovery of Sikhs their literature and history Further it reminds us of the Sikh political success after the occupation of Lahore by Ranjit Singh in 1799 True that the British enquiry was diplomatic and military during the 18th century However the Anglo Sikh relations after the fall of Delhi and Hansi into the hands of the Company in 1803 and more so the Anglo Sikh Treaties of January 1806 and April 1809 widened the scope of the enquiry With Malcolm s work published in 1810 the Punjabi and Sikh writings especially the Bani of the Gurus or its elaborations by the Bhai s such as Gurdass and Mani Singh entered the field under investigation Sikh History and Religion emerged as a common genre by the middle of the 19th century J D Cunningham gave a firm basis to this genre though H H Wilson had acted differently in 1848 because he was a Sanskritist The use of Bani Sakhi and Rahit by the British the Christian Missions the early Sikh reformers like the Nirankaris and the Namdharis necessitated the further use of Sikh Scriptures Hukamnama and Ardasan carrying letters of Baba Ram Singh 1872 1885 In fact by 1857 the idea of having the Sikh holy granths translated into English was conceived by the British The first attempt in this regard took twenty years i e 1857 1877 The attempt was official and made through Trumpp These twenty years also saw the printing of the Adi Granth in the Damdama Bir twice i e in 1864 and 1868 in Lahore A Janam Sakhi Bhai Bala version was also printed The book reveals how and why the political patronage and use of the Golden Temple Amritsar continued under the British despite the Sikh awakening and protest against it by the Namdhari Movement and the Singh Sabha Lehar between 1863 and 1919 In addition to Golden Temple Sikh Literature and History had drawn colonial attention through Griffin and M A Macauliffe 1868 1909 for political purposes In fact the Gadhar and the Babbar Akalis between 1914 and 1923 gave a close relationship to the Militant Khalsa tradition and the anti British Nationalism in Punjab How Sikh militancy and communalism proved harmful to the cause of the Freedom Movement in and for Punjab is an important but different theme This book is silent about the Great Divide of 1947 or the poetry of Iqbal during the 1920 s and 1930 s Riots and the bitter communal strife was the sin to be told by the short stories of Manto The sin needs further exploring by the political thinkers and writers of South Asia
