Badass Civil War Beards:

Badass Civil War Beards Anna Hider, Julia Hider, 2014 From the cavemen to the hipsters of today beards have been the hallmark of brave and manly men For some reason the popularity of beards skyrocketed during the late 19th century when men became more willing to experiment with never before seen facial hair styles Abraham Lincoln even grew his beard because a little girl wrote him and said he'd look more presidential with one A little over two years ago sisters Anna and Julia Hider were discussing why all Civil War soldiers seemed to sport crazy beards Their conversation quickly became the blog **Badass Civil War Beards** <http://badasscivilwarbeards.tumblr.com> which they cowrote between classes at two separate universities The concept touched a funny bone and **Badass Civil War Beards** the book was born It features over 100 of the Civil War's most stupidly awesome and awesomely stupid examples of facial hair accompanied by short analyses historical tidbits poems and puns about each person and his bearded glory Who knew history could be so much fun *The Time of My Life* Patrick Swayze, Lisa Niemi, 2009-09-29 Veteran actor Swayze recounts much more than his struggle with stage IV pancreatic cancer In vivid detail he describes his Texas upbringing his personal struggles his commercial success and the soul mate who's stood by his side through it all his wife writer and director Lisa Niemi [The Black Nile](#) Dan Morrison, 2010-08-12 A spectacular modern day adventure along the Nile River from Lake Victoria to the Mediterranean Sea With news of tenuous peace in Sudan foreign correspondent Dan Morrison bought a plank board boat summoned a childhood friend who'd never been off American soil and set out from Uganda paddling the White Nile on a quest to reach Cairo a trip that tyranny and war had made impossible for decades Morrison's chronicle is a mashup of travel narrative and reportage packed with flights into the frightful and the absurd Through river mud that engulfs him and burning marshlands that darken the sky he tracks the snarl of commonalities and conflicts that bleed across the Nile valley bringing to life the waters that connect the hardscrabble fishing villages of Lake Victoria to the floating Cairo nightclubs where headscarved mothers are entertained by gyrating male dancers In between are places and lives invisible to cable news and opinion blogs a hidden oil war that has erased entire towns secret dams that will flood still more and contested borderlands where acts of compassion and ingenuity defy appalling hardship and waste of life As Morrison dodges every imaginable hazard from militia gunfire to squalls of sand his mishaps unfold in strange harmony with the breathtaking range of individuals he meets along the way Relaying the voices of Sudanese freedom fighters and escaped Ugandan sex slaves desert tribesmen and Egyptian tomb raiders **The Black Nile** culminates in a visceral understanding of one of the world's most elusive hotspots where millions strive to claw their way from war and poverty to something better if only they could agree what that something is whom to share it with and how to get there With the propulsive force of a thriller **The Black Nile** is rife with humor humanity and fervid insight an unparalleled portrait of a complex territory in profound transition **Unknown Man, Civil War, Bust Length, Thick Beard** , **Unknown Man, Civil War, Bust, No Beard, Moustache** , **Unknown Man, Civil War,**

Bust, Young Man, no Facial Hair , Unknown Man, Civil War, Bust, Dark Hair, No Beard , Unknown Man, Civil War, Bust, Profile Looking Right, Long Beard , **Unknown Man, Civil War, Bust, Balding with Dark Beard** , **One Thousand Beards** Allan Peterkin,2001 Every man has the capacity to grow facial hair but the decision to do so has always come with layers of meaning Facial hair has traditionally marked a passage into manhood but its manifestations have been determined by class religion history and occupational status In the end the act of displaying facial hair is still regarded as a form of ultimate cool With wit and insight *One Thousand Beards* delves into the historical contemporary and cultural meaning of facial hair in all of its forms complete with numerous photographs and illustrations *Of Beards and Men* Christopher Oldstone-Moore,2015 Great Beards of History Kellen Roggenbuck,2019-07 Everyone loves beards so why not learn about some of the greatest beards in history From Abraham Lincoln to Mr T these quirky illustrations will have you laughing along with the bearded person in your life This book is about some great bearded historical figures but it s also highlighting the number one beard in a child s life his dad s Another fun colorful book from author illustrator Kellen Roggenbuck Your young reader will love it and it makes a perfect gift for new bearded dads Black Civil War Soldiers Susan K. Baumann,2013-07-15 The 54th Massachusetts Regiment was one of the first African American units in the United States during the Civil War It became known for its bravery The colorful graphic format and the easy to follow text will capture the attention of any young reader An inspirational lesson from our nation s history Edward A. Wild and the African Brigade in the Civil War Frances Harding Casstevens,2003-01-01 Edward Wild the controversial Union general who headed the all black African Brigade in the Civil War was one of the most loved and most hated figures of the 19th century The man was neither understood nor appreciated by military or civilian black or white Northerner or Southerner After enlisting at the outbreak of the war Wild was promoted to Brigadier General and placed in charge of the United States Colored Troops In fulfilling his assignment to free slaves and gain recruits he took three women as hostages and ordered a great deal of property destruction He freed hundreds perhaps thousands of slaves and settled them safely on Roanoke Island Wild then not only recruited the newly freed blacks but trained them and gave them the opportunity to prove their worth in battle Nobody it seems was happy about serving with them but the African Brigade performed courageously in several battles Wild did some inexplicable things Were his actions typical of the 19th century or did he act outside the norm Was the criticism he suffered from his fellow Union officers valid or was it due to personality conflicts Did he deserve to be arrested court martialed and even wiped from the history books or was he the victim of discrimination This work draws its answers from extensive research and includes many rare letters to and from Wild including one from one of the North Carolinian hostages **The Beards** Charles A., Mary R. Beard, Albert Sidney Johnston, Soldier of Three Republics Charles Pierce Roland,2001-01-11 With a new foreword by Gary W Gallagher Selected as one of the best one hundred books ever written on the Civil War by Civil War Times Illustrated and by Civil War The Magazine of the Civil War Society A new revised edition of

the only full scale biography of the Confederacy s top ranking field general during the opening campaigns of the Civil War
Blacks in Blue and Gray H. C. Blackerby,1979 Of Beards and Men Joseph D. R. OLeary,2013-01-01 *Confederate
Generals of the Civil War* Carl R. Green,William Reynolds Sanford,1998 Among the ten generals who led the the armies of the
South are the very famous and the little known Included here are Robert E Lee Nathan Forrest William Hardee Ambrose Hill
John Hood Stonewall Jackson Joseph Johnston James Longstreet George Pickett of Pickett s charge and Jeb Stuart Their
childhoods education and military training are given along with their roles in the Civil War *William Babcock Hazen*
Edward S. Cooper,2005-10 In a sympathetic eulogy Ambrose Bierce the famous journalist awarded William Babcock Hazen
his Civil War superior comrade in arms and friend the title of the best hated man Edward S Cooper has written the first
complete biography of Hazen and examines in detail why Bierce was correct In Coopers view Hazen s life debunks the myth
of men who fought side by side bonding together into brotherhood Cooper also traces the running feuds Hazen later had with
two secretaries of war He caused both to be publicly disgraced Even General Sherman after years of friendship turned
against Hazen The book traces the origins of these feuds and how they played out in magazines newspapers congressional
hearings and trials and how Hazen emerged triumphant There are enormous gaps in the few published works about William
Babcock Hazen Most intriguing is Cooper s discovery and use of the unpublished fragments of a memoir by his wife Hazen
had character flaws and Cooper brings them to light but he also had traits that particularly today should be emulated
Unfortunately Hazen s life has faded from history Cooper s work corrects that error
