Baffies' Easy Munro Guide

A wooden directional signpost stands in a grassy field. The sign is black with white text and points to the left. In the background, a large, hazy mountain rises under a blue sky with a faint rainbow. A bright rainbow is visible on the right side of the image, arching over a body of water. A small, bright pink object lies on the grass in the foreground.

Barries' Easy Munro Guide Ralph Storer, 2015-06-30. Barries' Easy Munro Guide to the Cairngorms is the third volume in Ralph Storer's inspirational series of guidebooks dedicated to finding the easiest way up Scotland's highest mountains. This volume covers the Cairngorms National Park with hand-picked routes that will guide you to the summits of 25 rewarding Munros in all corners of the Cairngorms Range. Each route is described in detail and accompanied by an annotated OS map, full-colour photographs with the route marked on them and sidebars on particular points of interest. Named after his footwear of choice, Barries is the alter ego of experienced and respected guidebook writer Ralph Storer. He is allergic to exertion, is prone to lassitude, suffers from altitude sickness above 600m, blisters easily and bleeds readily. In short, he is the ideal companion for those new to Munro bagging whatever their age or temperament. If he can make it to the summit, so can any couch potato. Barries, a Scottish term for slippers.
