Cost Management A Strategic Emphasis 5th Edition McGraw Hill:

Cost Management Edward Blocher, Kung H. Chen, W. Thomas Lin, 2002 This textbook offers strategic management topics in conjunction with traditional cost accounting material Over the last decade much research has been published that redefines the role of the cost accountant with the organisation This research suggests that firms today are looking for accountants who understand the needs of management and can provide input in decision making The authors include discussions about strategy and decision making as well as research from prominent professionals such as Michael Porter and John Shank The distinguishing features of this book are its strategic cost management framework and the emphasis on using cases

Cost Management Edward Blocher, Kung Chen, Gary Cokins, Thomas Lin, 2004-02 Cost Management A Strategic Emphasis by Blocher Chen Cokins Lin is the first cost accounting text to offer integrated coverage of strategic management topics in cost accounting The text is written to help students understand more about management and the role of cost management in helping a firm or organization to succeed This text aims to teach management concepts and methods and how managers use cost management information to make better decisions and improve their company's competitiveness In teaching these key management skills the text takes on a strategic focus It uncovers issues such as how does a firm compete What type of cost management information is needed for a firm to succeed and How does the management accountant develop and present this information This text helps students learn why when and how cost information is used to make effective decisions that lead a firm to success

Cost Management Edward Blocher, Edward J. Blocher, David Edward Stout, Gary Cokins, 2010 Covers the strategic management topics in cost accounting This title helps students to understand about the management and the role of cost accounting in helping an organization succeed It addresses issues such as How does a firm compete and What type of cost management information is needed for a firm to succeed

Cost Management Edward Blocher, 1999 [Looseleaf for Cost Management: A Strategic Emphasis](#) Edward Blocher, Paul Juras, Steven Smith, 2021-01-12 Cost Management A Strategic Emphasis by Blocher Juras Smith is dedicated to answering the question Why Cost Management It answers this question by providing cost management tools and techniques needed to support an organization's competitiveness improve its performance and help the organization accomplish its strategy The text is written to help students understand the broader role of cost accounting in helping an organization succeed and not just the measurement of costs While the text does include coverage of traditional costing topics e.g. job order costing process costing service department cost allocations and accounting for joint and by products its primary strength is the linkage of these topics as well as more contemporary topics to an organization's strategy And with Connect an easy to use homework and learning management solution that embeds learning science and award winning adaptive tools to improve student outcomes instructors receive a course solution that includes high quality content and assessment paired with assignments that help students build the skills they need to succeed
