Counseling by the Book John Babler, David Penley, Mike Bizell, 2007-01-18 **A Theology of Christian Counseling** Jay E. Adams, 2010-08-10 Connecting sound biblical doctrine to the practice of effective counseling Jay E Adams vocal advocate of a strictly biblical approach to counseling and author of the highly influential book *Competent to Counsel* firmly believes that the Bible itself provides all the principles needed for understanding and engaging in holistic counseling But in order to bring the practice of counseling whether by professional therapists or by the church under biblical guidance we first have to deepen our understanding of Scripture A Theology of Christian Counseling is the connection between solid theology the study of God and its practical application Each of its sections are devoted to increasing our understanding of counseling s potential by looking at it through the lens of doctrines such as Prayer and the doctrine of God Human Sin and the doctrine of Man Redemption and the doctrine of Salvation Forgiveness and the doctrine of Sanctification No counseling system that is based on some other foundation can begin to offer what Christian counseling offers No matter what the problem is no matter how greatly sin has abounded the Christian counselor s stance is struck by the far more abounding nature of the grace of Jesus Christ in redemption What a difference this makes in counseling Jay E Adams With this book you ll gain insight into the rich theological framework that supports and directs your approach to how you help people change **Counseling and Psychotherapy** Siang-Yang Tan, 2011-01-01 Combining cutting edge expertise with deeply rooted Christian insights this text from a leading figure in the Christian counseling community offers readers a comprehensive survey of ten major counseling and psychotherapy approaches For each approach Siang Yang Tan first provides a substantial introduction assessing the approach s effectiveness and the latest research findings or empirical evidence for it He then critiques the approach from a Christian perspective Tan also includes hypothetical transcripts of interventions for each major approach to help readers get a better sense of the clinical work involved This book presents a Christian approach to counseling and psychotherapy that is Christ centered biblically based and Spirit filled *Biblical Crisis Counseling* John Babler, 2014-11-20 The word crisis comes from the Greek krisis which literally means decision When trials temptations disasters personal sin or anything else bring us to a point of crisis how we respond the decisions we make and actions we take will either reflect a faithful obedient God honoring heart or a doubtful self centered one Because crises bring about the need to make many decisions Christians are afforded opportunities to glorify God by making choices and acting in ways that honor Him The Biblical Crisis Intervention model presented in this book provides a template upon which the counselor can base his or her crisis ministry As the world provides temporary solutions to those in crisis the Biblical Crisis Intervention Model offers an opportunity for those in crisis to find the healing that God offers *The Massachusetts register* ,1991 **Gospel-Centered Family Counseling** Robert W.
