Courses Offered In Rongo University:

The Higher Education Institutions Handbook, 2012 **Deaf Education Beyond the Western World** Harry Knoors, Maria Brons, Marc Marschark, 2019-01-16 By exploring practice based and research based evidence about deaf education in countries that largely have been left out of the international discussion thus far this volume encourages more researchers in more countries to continue investigating the learning environment of deaf learners based on the premise of leaving no one behind Featuring chapters centering on 19 countries from Africa Asia Latin America and Central and Eastern Europe the volume offers a picture of deaf education from the perspectives of local scholars and teachers who demonstrate best practices and challenges within their respective regional contexts Revisiting Peace Journalism in the Kenyan News Landscape Cecilia Arregui Olivera, 2025-02-25 This book revisits the concept of peace journalism a framework that emerged to question and redefine the professional ethos of conflict reporting by challenging traditional news values such as the focus on negativity violence and the elites to emphasise reconciliation and dialogue contextualisation of conflicts and giving voice to all involved parties The author argues that in a globalised and diverse world the notion of peace journalism continues to mutate and evolve every time it enters specific contexts and for that matter it cannot be regarded as a one size fits all approach The book reviews and challenges the dominant ways in which peace journalism has been studied and understood to date before exploring the multiple tensions and relationships between notions of peace journalism and journalistic roles and practices in the reporting of electoral conflict and terrorism by legacy newspapers in Kenya After deconstructing this complex concept and tracing its motions mutations and evolutions in a specific setting peace journalism is redefined as a dynamic concept that is continuously negotiated between the particulars of context and a shared essence that circles around the values of peace non violence and reconciliation This book will interest journalism and media studies scholars educators and graduate students in particular those interested in or specialising in peace journalism or conflict reporting or the East African or Kenyan news media scene **Using Positive Psychology Interventions to Promote Well-Being Among Students in Higher-Education Institutions** Peter J. O. Aloka, 2025-07-03 This book explores positive psychology interventions strategies which are aimed at enhancing positive emotions cognitions and happiness among students in higher education institutions Students worldwide have reported increased psychosocial issues which negatively affect their overall well being and mental health The poor well being and mental health of university students has led to among other things high attrition rate suicide cases low academic performance and increased psychological and social problems among them There has been increased interest in reach on the well being and mental health of students in higher education However despite this there is still scanty research on positive psychology interventions that could be adopted to boost well being and mental health of students in higher education institutions This book significantly contributes to the body of knowledge on adoption of holistic perspectives to boost well being and mental health of students in higher education institutions Governance and
