Lowe's Transport Manager's and Operator's Handbook 2019 David Lowe, Clive Pidgeon, 2019-02-03 One of the biggest challenges facing you and the road transport industry is the constant introduction of new legislation. In order to protect your business and avoid penalties, equip yourself with the latest knowledge of updates to regulations with Lowe's Transport Manager's and Operator's Handbook 2019. Now in its 49th edition and endorsed by the Chartered Institute of Transport and Logistics, Lowe's Transport Manager's and Operator's Handbook 2019 is the most comprehensive guide available to the operational rules and guidelines governing the UK, Ireland, and the EU's road transport operators. This best-selling exclusive handbook is an essential reference and explores in detail the most pressing issues in today's road transport industry. It includes details on professional competence rules, working times, and driving hours licensing and penalties, insurance, road traffic law, maintenance advice, and the international road haulage market. This manual includes guidance for drivers in the Republic of Ireland and mainland Europe, along with the rules and penalties governing these regions. Lowe's Transport Manager's and Operator's Handbook 2019 is the essential reference source for any transport manager, fleet operator, owner, driver, haulier, or student involved in the transport industry. This new edition has been thoroughly updated and revised to reflect the latest developments, covering changes to emission standards and electric road tolling in Europe, HM Customs lists of exempted vehicles, company car schemes, developments within the Scottish and Welsh governments, and vehicular enforcement changes across Europe.

Lowe's Transport Manager's and Operator's Handbook 2023 Glen Davies, 2023-02-03 Lowe's Transport Manager's and Operator's Handbook 2023 provides a complete overview of the operational guidance governing the UK's road transport operators. With the uncertainty of technological advancement, post-Brexit trade arrangements, and various industry crises, it is essential for the UK's road transport operators to have a firm grasp of the processes, rules, and regulations that govern their industry. This fully updated 53rd edition covers all aspects of transport legislation relating to goods, vehicles, and their operators, from vehicle registration, maintenance, and load management to professional competence, operator training, and driver testing. Road traffic law is explained alongside how to ensure safety on the road and at work. Meeting operating standards, keeping up to date with the latest industry changes, and complying with the law, all while running sustainable transport operations, has never been simpler with the help of Lowe's Transport Manager's and Operator's Handbook 2023. It is an essential resource for transport managers, fleet operators, owner, driver, hauliers, and those working in the industry looking to ensure operational stability and legislative compliance in a turbulent environment.
