Teens Have Style! Sharon Snow, Yvonne Reed, 2013-03-18 Authors Sharon Snow and Yvonne Reed present fashion as a way to offer a fun and interesting program for teens in the library and not just for girls Today's fashion savvy teenaged guys are just as likely to be eager participants Teens Have Style Fashion Programs for Young Adults at the Library provides an easy to follow template for creating popular programs within the public or school library setting that will capture the attention of most teenaged girls In Teens Have Style librarians will find programs they can adapt to their individual style or specific age range of their younger patrons such as getting ready for the prom making jewelry decorating sneakers creating a green outfit from recycled materials and many more All of the ideas are flexible and can be matched to other educational programs or to fit the library's needs regardless of its size For example school librarians can partner with art teachers to orchestrate a Fashion as Art program which challenges students to identify a painting that they like and then to create an outfit that reflects the style and feel of that work of art *Trailblazers for Whole School Sustainability* Jennifer Seydel, Cynthia L. Merse, Lisa A. W. Kensler, David Sobel, 2021-12-29

What does it take to prepare students teachers and school staff to shape a just and sustainable future In *Trailblazers for Whole School Sustainability* you will meet educators and school leaders who are on the front lines of reimagining school through the lens of sustainability This book features inspiring stories from around the country from urban and rural schools and districts that highlight best practices and lessons learned from teachers administrators and students as they transformed their school communities for a just and sustainable future These stories are structured around a practical framework that demonstrates how this work allows schools and districts to work smarter not harder by integrating sustainability and systems thinking into leadership curriculum and instruction culture and climate and facilities and operations While each school and district's story in this book is different the passion that drives each one to embrace sustainability in everything they do from operations to curriculum remains the same *Trailblazers for Whole School Sustainability* shows what is possible when educators resolve to blaze a trail to re imagine K 12 education for a just and sustainable future *Picture This, Imagine That, READ!*, 2003 **Discovering Computers 2007**
