Guide - 2018 Edition Medical Coding Pro, 2018-04-06 The CPC Exam Study Guide 2018 Edition has been updated for 2018. It includes a 150 question practice exam answers with full rationale, Medical Terminology, Common Anatomy, The Exam Study Guide, and Scoring Sheets. It is designed for students preparing for the medical coding certification exam after January 1, 2018. Look at what some students had to say after using our practice exams: I just wanted to let you know that I was preparing for the CPC exam and took a practice exam and only made a 70%. I was somewhat skeptical of purchasing your strategies and practice in fear it would not help. Reluctantly I purchased your product, a practice exam, and the strategies to pass before sitting for the CPC exam. I received my results yesterday: I MADE A 92! I used all of the strategies you recommended: time management, highlighting, etc., which made all the difference in the world. Thank you so much, Heather T. This is very good. I used your practice exam bundle and passed the first time. I also recommended this to others preparing for the test in our organization. They ordered and felt it was of great value. I especially appreciated the explanation for the answers which helped me learn while I corrected the test. When I took the practice test I set a timer for 5 hr 40 min and was able to complete in 3 hours with a score of 89%. Linda B. CPC. I purchased your practice exam package and think it's great. Using your tips I completed all 150 questions in 297 minutes and scored an 84%. Elizabeth H. I am thrilled to report Greg that I passed my CPC Exam on December 12th. Kathleen C. Your test was amazing; it helped me out a lot. Vickey L. Well, the practice test helped me pass my CPC exam. I got the good news last week. Erica J. I wanted to thank you for the CPC practice exam. Thanks to the practice I was able to pass the CPC and CCA exams on the first take. Your exam really helped me work on timing and the lab questions were especially helpful. Mark T. Wooooohooooo I passed! I also went for the Medical Administration certificate and passed that as well. Thanks for all your hints and practice exams to help me pass. Wow, I am glad that's over. Thanks again. Deanna A. I did purchase the practice exam from you before the new year and I passed my CPC. I found out literally New Year's Eve. Thanks for the great exam. Sabrina. I took the CPC exam Dec 7. As a matter of fact, I did pass the CPC exam and your practice exam helped. Thanks. Go ahead and list my name in your Certified Coders section. Lester B. I have passed the CPC and thank you for all of your help with the preparation materials. Victoria S. [CCS Exam Study Guide](#) Medical Coding Pro, 2018-01-15 The Certified Coding Specialist CCS Exam Study Guide 2018 Edition includes questions, answers, and rationale as of January 1st, 2018. Questions are separated into sections to make it easier to identify strengths and weaknesses. It includes a 105 question practice exam with answers and detailed rationale, Medical Terminology, Common Anatomy, Tips to passing the exam, Secrets to Reducing Exam Stress, and Scoring Sheets. It is designed for students preparing for the CCS certification exam. Look at what some students had to say after using our practice exams: I purchased your product, a practice exam, and the strategies to pass before sitting for the exam. I received my results yesterday: I PASSED! I used all of the strategies you recommended which made all the difference in the world. Thank you so much, Heather T. This is very good.
