Creative Curriculum Study Starters ,2005 A step by step guide to project based investigations in science and social studies Cover Resources in Education ,1984 *Research in Education* ,1974 **Self-directed Study Guide on the Education of the Gifted and the Talented** Donald J. Treffinger,Clifford D. Curl,1976 Structure and Improvisation in Creative Teaching R. Keith Sawyer,2011-06-27 With an increasing emphasis on creativity and innovation in the twenty first century teachers need to be creative professionals just as students must learn to be creative And yet schools are institutions with many important structures and guidelines that teachers must follow Effective creative teaching strikes a delicate balance between structure and improvisation The authors draw on studies of jazz theater improvisation and dance improvisation to demonstrate that the most creative performers work within similar structures and guidelines By looking to these creative genres the book provides practical advice for teachers who wish to become more creative professionals
