The Complete Idiot's Guide to Improving Your Credit Score Lita Epstein, Lita, MBA Epstein, 2007 Consumers have known about credit reports for a long time we re well aware that lenders rely on them to determine whether they want to do business with us Any time we want to buy a house rent an apartment or take out a loan it s a safe assumption that one or several reporting agencies are going to be contacted to provide our credit history But we don t always realize that there s a single element on that report that determines success or failure and that s a three digit number called a credit score Created by Fair Isaac and Company this formerly secret FICO number was until fairly recently available only to lenders and businesses and although it s hush hush no longer many of us still don t understand it because there hasn t been enough information on what it is and what exactly lenders are looking for And we certainly haven t known how to make it work for us rather than against us In *The Complete Idiot's Guide to Improving Your Credit Score* author Lita Epstein clearly explains what your credit score is and how it impacts your life Rather than putting the focus squarely on credit emergencies it provides everything readers need to know to raise their score and keep it high now and in the future

Your Credit Score

Liz Pulliam Weston,2008 Credit Scores and You Richard Johnson,2011 Credit Scores and You is the definitive guide on how to create maintain or repair your credit score Knowing how to get your credit score over 700 and to keep it there can save you tens of thousands of dollars over the course of your lifetime The book is the result of the author s desire to give financial direction and inspiration to his two sons as they grew into young adults His career in lending and the financial world has provided a keen understanding of what is required to build a solid financial base and how vitally important an excellent credit score has become in business and in day to day life It shares real life experiences and provides information on getting started in finances handling money and how to build your credit history Learning about trade lines the credit scoring system and when to consider various loan products is discussed How your credit history impacts what you do and what it can cost you over time is the essence of this subject A good credit score involves much more than what it will cost for a particular loan product Your credit score is considered when you apply for a job when you are looking for housing and how the insurance company views you as customer That simple three digit number has become more profound since the mid 1990 s than ever before Your credit score will determine whether or not you are approved for a loan product In many cases it will also dictate how much you will pay in interest rates and fees Excellent credit scores will open many more doors and save you money A good credit score will also help you when applying for a job Many employers will run a credit check along with a background check before they will consider a candidate for employment High or low credit scores are considered a reflection on how an applicant may perform on the job Insurance companies have their own methods for determining risk and charge insurance premiums based on that data Credit scores in recent years have become one of the factors that they look at on an insurance application High or low credit scores can be one of the determining factors in what they charge Having an understanding of the importance of a great credit score should not be underestimated Credit Scores and You will give the reader an excellent basis for getting on the right track toward financial wellness **Your Credit Score** Liz Pulliam Weston,2005 This is an excellent book It is insightful well written and surprisingly interesting Liz Pulliam Weston has done an outstanding job demystifying an often intimidating and frustrating topic for the benefit of all consumers **Credit Score Secrets** Mike Jefferson,2020-05-06 Do you have a credit score that is poor and causing problems Do you need to boost it quickly so that you can have the things you want This guide will help you do it faster and more effectively than any other Having a good credit score is essential if you want to make any big purchases in life It is also important if you need a loan so you can get the lowest repayment rates or pay lower charges on a credit card There are many ways to ensure that your credit score is good and you should practice these regularly so that they become second nature to you In this book Credit Score Secrets The Smart Guide to Raise your Credit Score Boost your Credit Fast Legally you will find all the tips you will need to make sure your credit score is the best it can be with advice on Paying bills on time Ensuring that any credit card balances are kept low Managing your existing debt efficiently Making sure you register to vote Keeping applications for new credit to
