Credit Card Sleeves Target:

Soft Target Conrad Jones, 2008-01-01 *SOFT TARGET* is a chilling fictional story that takes the reader inside the hearts and minds of a violent terrorist cell. Based around the Terrorist Task Force, the story is a rollercoaster ride of frighteningly real events across America and the UK. The story is the first of three that follow the lead agent John Tankersley AKA Tank. The plot has been described as worryingly good. Controversy and violence are never far away when Tank and the Task Force are around.

CRIMINAL JUSTICE TECHNOLOGY IN THE 21st CENTURY Laura J. Moriarty, 2017-01-09 This third edition arriving nearly 12 years after the previous one is not only timely but overdue. This text offers a welcome and appropriate mixture of knowledge or information about specific types of technology along with empirical studies of certain technology used in various subcomponents of the criminal justice system. This text consists of 12 chapters with eight completely new and four substantially revised and updated. The text is arranged into two parts: law enforcement technology and public safety technology. Major topics include technology infrastructure, what it is and how it's changing, current overview of law enforcement technology, body worn cameras, the new normal, avoiding the technological panacea of the body worn camera, examining perceptions of technology enabled crimes, digital forensics, technological advancements in keeping victims safe, the evolution of offender electronic monitoring from radio signals to satellite technology, technoprisons, technology and prisons inside the Darknet, techno crime and criminal opportunity, securing cyberspace in the 21st century and assessing the deployment of automated license plate recognition technology and strategies to improve public safety. Numerous illustrations and tables highlight the chapter contents. Students, educators and practitioners will find this new edition most useful as it provides practical knowledge about different technology advances and projections on many levels. This third edition has developed into an excellent resource that allows both neophyte and expert to learn state of the art information.

A Supplement to the Oxford English Dictionary R. W. Burchfield, 1972

On Target, Level 1 James Enos, Purpura, Diane Pinkley, 2000. On Target 1 and 2 are the intermediate levels of Scott Foresman English, a theme based integrated skills program for secondary and adult students. Scott Foresman English is a unique and flexible series with multiple entry levels. The components can be used together as a comprehensive multilevel course or individually as separate mini courses. Key Features: Thematic units have personalized engaging activities involving independent and group work. Grammar presentations and practice allow students to focus on form, meaning and use. Listening and speaking skills in real life contexts allow students to develop effective communication strategies. Learning strategies help students manage their language study effectively and independently. Reading and writing skills promote academic success. Review sections every three units reinforce the key grammar and vocabulary points. Achievement tests allow teachers and students to assess their progress after each unit. The other levels of Scott Foresman English Second Edition are On Your Mark 1 and 2, Introductory, In Contact 1 and 2, Beginning and In Charge 1 and 2, Advanced.
