Creme De Coco Recipe:

Paleo French Cuisine Alain Braux, 2013-02-24 Paleo French Cuisine by Chef Alain Braux is a beautiful and surprising book. A panoply of Paleo inspired appetizers, entrees and desserts is preceded by a tough love rational conversation about food and industrial culture and our need to make informed and responsible choices. It is brimming with simple, sensible, scrumptious recipes with and without meat, drawing from traditions of old world country comfort food while adding to the modernist trend of repurposing known ingredients in amazing ways. Chef Alain Braux is acutely aware of the contrary trends in current dietary philosophy. Paleo is the diet of the alpha, the Yang, the hunter. The Raw Food movement promotes the diet of the receptive Yin, the vegan, the gatherer. Chef Braux sees value in each approach to nourishing ourselves. He compares these contrary culinary philosophies from a common sense perspective and creates a cuisine that draws on the best of both worlds. All recipes are free of grains and many are also dairy free. There is plenty to love here for vegetarians as well as confirmed meat eaters. Plenty of fully raw recipes as well as sautees and stews. Tips on shopping and cooking techniques leave little room for confusion and all the while the writing style is so friendly and conversational that you may feel this kindly chef is by your side. The recipes are exquisite. French names for each dish give a sense of elegance and romance but the ingredients are not exotic, the techniques are not complex. The hard work has already been done, recipes perfected and the artful balance of flavors, colors, textures, tastes and nutrients is effortless as you follow Chef Braux's instructions. The dessert section is simple and splendid, each dish light and refreshing. I highly recommend this book as the best of a generation. This is a keeper. Thank you Chef Braux.

The French Cook: Cream Puffs & Eclairs Holly Herrick, 2020-05-29 A step by step French cooking class on choux pastry with savory and sweet recipes to try by the award winning food writer and author of *Tart Love*. The second book in The French Cook series following *The French Cook: Sauces*. Classically French trained author Holly Herrick dips into the marvelously versatile world of choux pastry or *petit choux*. The buttery, nutty, even flavor of this dough invites myriad flavors in both sweet and savory categories and in many shapes: cream puffs, clairs, rings and more. Whether it be a savory *petit clair* filled with an avocado mousse layered with bacon and tomatoes, choux gnocchi with a buttered herb sauce, three cheese *gougères* with black pepper, a sweet DreamSicle orange cream puff with a dark chocolate sauce, a salted caramel macadamia ice cream filled profiterole with a warm caramel sauce, an Almond Joy cream puff or a hot from the fryer beignet with a cool fresh raspberry sauce, taste delights are found all along the way. Holly also provides tips and recipes for assembling classic cream puff cakes such as the *croquembouche* and *Gâteau St Honor*. Holly dedicates the front of the book to the art of demystifying the puff making choux pastry, an easy and accessible medium for every cook, novice, professional or anyone in between. There is a chapter on sweet sauces to go along with the sweet cream puffs and clairs and expert tips on piping, baking and garnishing these uniquely French delights. An exploration deep into the world of choux and quickly debunks the myth that this best known French pastry is something too complicated for the home baker. Undlice Huffington
