machine you'll be able to save cost on a whole lot of things ranging from wedding souvenirs to interior decor items and t-shirts etc. Cricut Machines are similar to the standard printer; however, the difference is while the printer prints out designs from the computer, the Cricut machine on the other hand cuts out the design from the computer. It is a craft machine that comes in different series: the Explore Air series and the Cricut Maker. Though they have some differences, they are both awesome in their rights, and if you have any of them, you have successfully opened up the floodgate of creativity in your life. Some people use the Cricut machine as a hobby, while others use it commercially to design and create products for sale. When you visit a website like Etsy, most items there are products created on the Design Space software and cut out by Cricut Machines. The Cricut world of craft encompasses skills and knowledge, especially in Cricut Design Space. The Design Space is the web-based software where all the awesome designs are created before they are cut out by the machine. Thus, for users of the machines to successfully cut out unique and sellable items, they first have to understand how Design Space works. In this book, you will learn the basics and types of Cricut Machines, all the accessories and tools you need to make wonderful projects, special items to create, best projects for your Cricut machine, how to use Design Space, plus tips, tricks, starting a business with the Cricut machine, and many more. After reading this book, you will have an in-depth understanding of Cricut machines, and you will come to understand why we say that the possibilities are limitless, even if you are a complete beginner.
