Islamic Law and the Law of Armed Conflict Niaz A Shah, 2011-03-03 Islamic Law and the Law of Armed Conflict The Conflict in Pakistan demonstrates how international law can be applied in Muslim states in a way that is compatible with Islamic law Within this broader framework of compatible application Niaz A Shah argues that the Islamic law of qital i e armed conflict and the law of armed conflict are compatible with each other and that the former can complement the latter at national and regional levels Shah identifies grey areas in the Islamic law of qital and argues for their expansion and clarification Shah also calls for new rules to be developed to cover what he calls the blind spots in the Islamic law of qital He shows how Islamic law and the law of armed conflict could contribute to each other in certain areas such as the law of occupation air and naval warfare and the use of modern weaponry Such a contribution is neither prohibited by Islamic law nor by international law Shah applies the Islamic law of qital and the law of armed conflict to a live armed conflict in Pakistan and argues that all parties the Taliban the security forces of Pakistan and the American CIA have violated one or more of the applicable laws He maintains that whilst militancy is a genuine problem fighting militants does not allow or condone violation of the law Islamic Law and the Law of Armed Conflict will be of interest to students and scholars of international law Islamic law international relations security studies and south east Asian studies *Afghanistan, Iran, and Pakistan* Human Rights Watch (Organization), 2002 The Human Rights Watch report Closed Door Policy Afghan Refugees in Pakistan and Iran cautions against a hasty repatriation of Afghan refugees while conditions in Afghanistan remain unstable Human Rights Watch interviewed many refugees including members of various ethnic groups and women and girls who fear continuing human rights abuses inside Afghanistan The decades long Afghan refugee emergency did not end with the fall of the Taliban There remain three and a half million refugees in Pakistan and Iran the vast majority of whom arrived before the current armed conflict Although one hundred forty thousand Afghans went home from Pakistan and Iran in the past six weeks fifty thousand new refugees fled Afghanistan to Pakistan during the same time period Refugees interviewed by Human Rights Watch in Pakistan described the human toll caused by that government s treatment of the refugee population With borders closed most refugees had to resort to dangerous and unofficial routes into Pakistan Refugees were beaten at unofficial checkpoints when they could not afford to pay extortionate bribes At official crossing points families were beaten back or languished in squalor without food water or latrines hoping to be let in Once inside Pakistan refugees were harassed and imprisoned because they lacked identity documents They also endured beatings by Pakistani police when queuing for food in camps Publisher website [Pakistan Annual Law Digest](#), 1997 [Catalogue of the Government of Pakistan Publications](#) Pakistan, 1958 [Language Choice in Postcolonial Law](#) Richard Powell, 2020-02-24 This book discusses multilingual postcolonial common law focusing on Malaysia s efforts to shift the language of law from English to Malay and weighing the pros and cons of planned language shift as a solution to language based disadvantage before the law in jurisdictions where

the majority of citizens lack proficiency in the traditional legal medium Through analysis of legislation and policy documents interviews with lawyers law students and law lecturers and observations of court proceedings and law lectures the book reflects on what is entailed in changing the language of the law It reviews the implications of societal bilingualism for postcolonial justice systems and raises an important question for language planners to consider if the language of the law is changed what else about the law changes

Area Handbook for Pakistan Richard F. Nyrop,1975 **The Civil Service in Pakistan** Muzaffar Ahmed Chaudhuri,1969 The Politics and Law of Democratic Transition Sonia Zaman Khan,2017-10-25

Peaceful legal and political changing of the guards is taken for granted in developed democracies but is not evident everywhere As a relatively new democracy marred by long periods of military rule Bangladesh has been encountering serious problems because of a prevailing culture of mistrust weak governance institutions constant election manipulation and a peculiar socio political history which between 1990 and 2011 led to a unique form of transitional remedy in the form of an unelected neutral caretaker government CTG during electoral transitions This book provides a contextual analysis of the CTG mechanism including its inception operation manipulation by the government of the day and abrupt demise It queries whether this constitutional provision even if presently abolished after overseeing four acceptable general elections actually remains a crucial tool to safeguard free and fair elections in Bangladesh Given the backdrop of the culture of mistrust the author examines whether holding national elections without a CTG or an umpire of some kind can settle the issue of credibility of a given government The book portrays that even the management of elections is a matter of applying pluralist approaches Considering the historical legacy and contemporary political trajectory of Bangladesh the cause of deep rooted mistrust is examined to better understand the rationale for the requirement emergence and workings of the CTG structure The book unveils that it is not only the lack of nation building measures and governments wish to remain in power at any cost which lay behind the problems that Bangladesh faces today Part of the problem is also the flawed logic of nation building on the foundation of Western democratic norms which may be unsuitable in a South Asian cultural environment Although democratic transitions on the crutch of the CTG have been useful in moments of crisis its abolition creates the need for a new or revised transitional modality perhaps akin to the CTG ethos to oversee electoral governance which will have to be renegotiated by the polity based on the people s will The book provides a valuable resource for researchers and academics working in the area of constitutional law democratic transition legal pluralism and election law
