The Russian Revolution Abraham Ascher,2014-03-06 1917 the year a series of rebellions toppled three centuries of autocratic rule and placed a group of political radicals in charge of a world power Here suddenly was the first modern socialist state a kingdom more bright than any heaven had to offer But the dream was short lived bringing in its wake seventy years of conflict and instability that nearly ended in nuclear war How could such a revolution take place and what caused it to go so very wrong Presenting a uniquely long view of events Abraham Ascher takes readers from the seeds of revolution in the 1880s right through to Stalin s state terror and the power of the communist legacy in Russia today Original and shrewd Ascher s analysis offers an unparalleled introduction to this watershed period in world history **Stalin** Abraham Ascher,2016-11-03 Joseph Stalin began life as a frail child with an abusive father and an inferiority complex This triggered an early desire for greatness and respect that would eventually turn the young Bolshevik idealist into one of the most ruthless

dictators in modern history Like his contemporary Adolf Hitler Stalin was responsible for millions of deaths and inflicted barbaric cruelty on the Soviet people But while Hitler is readily portrayed as a monster Stalin has not been subjected to quite the same level of vitriol In Stalin A Beginner s Guide renowned historian Abraham Ascher analyses new and old sources separating truths from falsehoods to present an unvarnished portrait of the Soviet leader War Aaron Edwards,2016-11-03

War has been a perennial feature of human history since ancient times yet it remains a poorly understood phenomenon It has done much to shape our world from overthrowing leaders establishing international governance and inspiring social change to destroying cities dividing nations and breeding animosity In this book Dr Aaron Edwards succinctly combines political theories with historical realities Using eyewitness accounts war poetry and insightful analysis of a wide range of conflicts War A Beginner s Guide introduces the reader to the complexity and human face of war and invites readers to question whether violence is the most effective way to resolve disputes Justice Raymond Wacks,2017-02-02

In this highly topical introduction Professor Raymond Wacks explains and evaluates the leading theories of justice that have shaped our societies and their legislative and judicial systems and explores the extent to which fundamental notions like fairness equality and freedom are reflected in contemporary society By analysing some of the world s most pressing challenges including terrorism corruption and migration Justice A Beginner s Guide shows how these ideas are applied in practice and how far we still have to go to achieve social justice Daoism James Miller,2008-02-01

From T ai Chi to the Ming Dynasty this is an engrossing guide to the elusive Chinese tradition of Daoism Spanning the centuries and crossing the globe this engaging introduction covers everything Daoist from the religion of the ancients to 21st century T ai Chi and meditation Complete with a timeline of Daoist history and a full glossary Daoism A Beginner s Guide will prove invaluable not only to students but also to general readers who wish to learn more about the origins and nature of a profound tradition and about its role and relevance in our fast moving 21st century existence British Politics Richard S. Grayson,2016-04-07

No one saw it coming No pundit no pollster and no political leader predicted David Cameron s Conservative Party would win a majority of seats in Parliament and his three main opponents would resign as party leaders The consequences of the coalition also became clear as the Liberal Democrats fell dramatically from grace and lost their spot as Britain s third party And despite Scotland voting NO to independence in 2014 the election result also threatens the Union with the Scottish National Party winning all but three of the country s seats In this timely edition Richard S Grayson analyses Britain s changing political landscape and explores the role of the media the European Union and the UK s special relationship with the US Thorough and incisive British Politics A Beginner s Guide is the perfect introduction to the structure parties and personalities of British Government today

Archaeology Joe Flatman,2015-05-07 Whether it s Tomb Raider or Roman coins the conventional view of archaeology as a discipline solely preoccupied with long dead cultures is misleading In fact archaeology is better described as a mode of thought one by which we can better understand our past present and future Indeed by studying artefacts of past human

activity we can even learn to better tackle great contemporary challenges like high population density and climate change

Spanning the globe and centuries from Mesolithic burials in Sweden to modern landfill sites in Arizona Joe Flatman shows how to view the world with an archaeologist's insight What does a discarded food packet reveal about contemporary consumption patterns How can infrared satellite imagery tell archaeologists where to undertake expensive excavation projects What can archaeology reveal about the beginnings of the human race Replete with textboxes highlighting key case studies from the history of the subject and containing invaluable diagrams and photos illustrating the reality of being an archaeologist this is the essential primer to reading landscapes objects and places *Criminological Skills and Research for Beginners* Laura Caulfield, Jane Hill, 2025-02-28
