Crisis Management In Tourism Book By Cabi:

Crisis Management in Tourism Eric Laws, B. Prideaux, K. S. Chon, 2006 The history of modern tourism records many localized and some international crises characterized by extreme and sudden reduction in demand for specific destination areas or types of tourism product Managerial responses to such events include both problem solving and market recovery steps but these vary in effectiveness and recovery may be slow to occur after the initial problems are overcome With examples drawn from the UK Europe America Australia and Asia this book brings together a range of expert academic analysis of the latest thinking and practice in this increasingly important area of tourism management **The Routledge Handbook of Tourism Experience Management and Marketing** Saurabh Kumar Dixit, 2020-05-18 The Routledge Handbook of Tourism Experience Management and Marketing offers a comprehensive and thorough inquiry into both customary and emergent issues of tourism experience and co creation Drawing together contributions from 83 authors from 28 countries with varied backgrounds and interdisciplinary interests the handbook highlights multiple representations and interpretations of the theme It also integrates a selection of illustrative global case studies to effectively present its chapter contents Tourism experience drives the contemporary tourist's behavior as they travel in pursuit of experiencing unique and unusual destinations and activities Creating a memorable and enduring experience is therefore a prerequisite for the all tourism business organizations irrespective of the nature of their products or services This handbook focuses on conceptualizing designing staging managing and marketing paradigms of tourism experiences from both supply and demand perspectives It sheds substantial light on the contemporary theories practices and future developments in the arena of experiential tourism management and marketing Encompassing the latest thinking and research themes this will be an essential reference for upper level students researchers academics and industry practitioners of hospitality as well as those of tourism gastronomy management marketing consumer behavior cultural studies development studies and international business encouraging dialogue across disciplinary boundaries Key Concepts in Tourist Studies Melanie Smith, Nicola MacLeod, Margaret Hart Robertson, 2010-03-22 Tourism is the fourth biggest industry in the world What are the key concepts in Tourist Studies This essential resource for students of tourism contains concise and authoritative entries on Planning Tourism Sustainable Tourism Festivals and Events Cultural Tourism Economics of Tourism Regeneration The Experience Economy Urban Tourism Sex Tourism Shrewdly judged to suit the needs of the modern student the book offers the basic materials tools and guidance for making sense of tourism and gaining the best results in essays and exams **The Emerald Handbook of International Dark Tourism** Anukrati Sharma, Shruti Arora, 2025-12-08 The practice of visiting locations connected to death calamity and human suffering known as dark tourism is a contentious area of research Bringing together top international academics and specialists The Emerald Handbook of International Dark Tourism provides a thorough and multidisciplinary investigation of this phenomena **Tourism Crisis and Disaster Management in the Asia-Pacific**

Brent W Ritchie, Kom Campiranon, 2014-11-21 The Asia Pacific area is one of the fastest growing tourism regions and a major driver of global tourism in general. Tourism industries in Asia Pacific have been challenged in recent years by a number of major crises and disasters including terrorism outbreaks e.g. SARS and Bird Flu, natural disasters e.g. tsunamis, bushfires, flooding and political crisis e.g. protests and political instability. This book contributes to the understanding of crisis and disaster management generally but with a specific focus on the Asia Pacific. With contributions by international scholars and practitioners, the book discusses both the theoretical and practical approaches toward successful crisis and disaster management.

Tourism Crises and Destination Recovery David Beirman, 2021-11-13 Topical and issue based and arranged by type of crisis showcasing a wide range of examples and case studies. Beirman approaches the topic both as an academic and with a professional insight gleaned from his vast experience in industry.

Safety and Security in Tourism Noel Scott, Eric Laws, Bruce Prideaux, 2013-09-13 Natural disasters, wars and conflicts, epidemics and other major crises can devastate a tourism service or destination. Though there is extensive literature and research on preparation and coping with tourism crises, there is a gap in information on how to best market and recover from the destruction caused to tourism businesses and destinations. This book fills the gap by comprehensively examining how to rebuild the market for a tourism service or destination after a catastrophe. This important book presents leading experts from around the world providing useful instruction on effective ways to plan for future crisis response and strategies for recovering business. A crisis may arise from several types of destructive occurrences from natural physical destruction of important infrastructure to acts of terrorism. Because of the broad range of potential problems, there is no single strategy for which to deal with crises. The book explores a wide range of catastrophes from Hurricane Katrina to tsunamis to war, taking a detailed look at management and administrative strategies which can help stimulate tourism recovery. This book explores stealth and catastrophic risks, risk perceptions mediating the effects of natural disasters on travel intention and various marketing strategies designed to bring customers back. This volume may become one of the most crucial resources in a tourism professional's library. The book is extensively referenced and includes several tables and figures to clearly explain data. This book is essential reading for tourism researchers, tourism educators, tourism industry managers and tourism industry administrators. This book was published as a special issue of the Journal of Travel Tourism Marketing.
