Nurses on the Move Mireille Kingma, 2018-07-05 South African nurses care for patients in London hospitals recruit Filipino nurses to Los Angeles and Chinese nurses practice their profession in Ireland In every industrialized country of the world patients today increasingly find that the nurses who care for them come from a vast array of countries In the first book on international nurse migration Mireille Kingma investigates one of today's most important health care trends The personal stories of migrant nurses that fill this book contrast the nightmarish existences of some with the successes of others Health systems in industrialized countries now depend on nurses from the developing world to address their nursing shortages This situation raises a host of thorny questions What causes nurses to decide to migrate Is this migration voluntary or in some way coerced When developing countries are faced with

nurse vacancy rates of more than 40 percent is recruitment by industrialized countries fair play in a competitive market or a new form of colonialization What happens to these workers and the patients left behind when they migrate What safeguards will protect nurses and the patients they find in their new workplaces Highlighting the complexity of the international rules and regulations now being constructed to facilitate the lucrative trade in human services Kingma presents a new way to think about the migration of skilled health sector labor as well as the strategies needed to make migration work for individuals patients and the health systems on which they depend

Research Libraries,1999 *CRRN Exam Practice Questions* Exam Secrets Test Prep Staff Crnn,2018-04-12 CRRN Exam Practice Questions are the simplest way to prepare for the CRRN test Practice is an essential part of preparing for a test and improving a test taker s chance of

success The best way to practice taking a test is by going through lots of practice test questions If someone has never taken a practice test then they are unprepared for the types of questions and answer choices that they will encounter on the official test There is a tremendous advantage to someone taking the test that is already familiar with the questions and answer choices Another advantage of taking practice tests is that you can assess your performance and see if you need to study and practice more or if you re already prepared enough to achieve success on your test day If you do well on the practice test then you know you re prepared If you struggle on the practice test then you know you may still have more work to do to get prepared Taking lots of practice tests helps ensure that you are not surprised or disappointed on your test day Our CRRN Exam Practice Questions give you the opportunity to test your knowledge on a set of questions You can know everything that is going to be covered on the test and it will not do you any good on test day if you have not had a chance to practice Repetition is a key to success and using practice test questions allows you to reinforce your strengths and improve your weaknesses Detailed answer explanations are also included for each question It may sound obvious but you have to know which questions you missed and more importantly why you missed them to be able to avoid making the same mistakes again when you take the real test That s why our CRRN Exam Practice Questions include answer keys with detailed answer explanations These in depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand
