 and Taste Recipes* John De Kleine,2009-05 A very different kind of a cook book Most recipes in this book date back to a time
 when cholesterol was unknown and a triglyceride was thought of as a creature that walked with the dinosaurs A time when
 food was eaten because it tastes good rather than if it was healthy or not If it didn t taste good you didn t eat it consider
 small children and strained spinach or peas These recipes are not for the diet or health conscious person as they contain lots
 of fat butter meat drippings lard and such Also they should not to be eaten as a daily fare because most of them are
 considered to be unhealthy at this point in time However when you get a craving for something that tastes better than
 cardboard sawdust leather or mush it s time to break out these recipes When you finish one of these meals you ll know that
 you ve eaten something that really satisfies your taste buds without all the doctoring of spices to add flavor Now you can go
 back to healthy diet foods until the urge hits you again to have a really great tasting meal **FOODS WITH PERSONALITY:**

Witty,2019-04-17 We've all seen those commercials for the meal planning services that show the frustrated woman cooking
chicken for dinner AGAIN Truth is I've been there I've been known to cook chicken for dinner more than once a week And I
used to always cook it the same old way Then I discovered I could cook several pounds of chicken in the Crock Pot at one
time and I could use different techniques spices and meal accompaniments to turn the same main course meat into
something truly different In this book you will find seven different recipes to spice up your leftover Crock Pot chicken
including 2 exciting and quite different curry recipes1 special Thai recipe1 low calorie low carbohydrate BBQ sandwich
recipe1 old fashioned chicken dumpling recipe1 delicious chicken salad recipe and my favorite chicken copycat recipeYou
can fix one of these recipes every day for a week I don't recommend this or you can fix a plain Crock Pot chicken recipe one
day a week and use these to make your chicken leftovers more interesting later on in the week One recipe per week will give
you almost two months worth of ideas This isn't a diet cookbook Some of these recipes are low calorie low fat and or low carb
but some aren't Nutritional information is included for each recipe so you can choose the ones that are best suited for your
particular situation Chicken is one of the most popularly consumed meats at dinnertime especially among those who eat at
