Winter in Wartime Jan Terlouw, 2020-02-04 A gripping and fast paced adventure story about one boy's life threatening mission to support the secret resistance in Nazi occupied Netherlands based on the author's own childhood in Holland during World War II It's the winter of 1944/45 and Michiel's country has been at war since he was eleven Now he's fifteen and his country is under Nazi occupation including the town where Michiel lives and where his father is the mayor No longer able to attend school Michiel spends his days running urgent errands on his bicycle avoiding Allied bombers and German soldiers alike Then one day his friendship with Dirk the neighbor's older son and a member of the secret underground involves him in the care of a wounded British pilot When a German soldier is found murdered and the townspeople are blamed for his death Michiel's already risky mission turns life threatening *Winter in Wartime* is a fast paced and exciting novel which has never been out of print in the Netherlands since it was first published nearly fifty years ago Based on the author's own boyhood in wartime Holland the action and adventure of Michiel's mission makes for a gripping read while the anguish of his experience underscores the ultimate anti war tenor of the novel **Boek en Jeugd 12 +, 2005** W. van der Pennen, 2005 Geannoteerde selectie uit het jeugdboekenaanbod en andere media van het afgelopen jaar voor kinderen vanaf ca 12 jaar met tevens

verdiepingsvragen leerlingen luisterden naar elkaar en reageerden op elkaar Vooral op het gebied van het beargumenteerd formuleren van belevingen en interpretaties ging de literaire competentie vooruit Maar als je erover nadenkt biedt nieuwe inzichten in de ontwikkeling van literaire competentie en draagt daarnaast praktische handvatten aan voor het voeren van literaire gesprekken in de klas De studie daagt uit om het huidige lees en literatuuronderwijs tegen het licht te houden Want een lezer worden dat doe je het beste samen
