Bombardier Inc,Comair,2003 Spectre of Invasion Steve Dunn,2025-06-30 Explores Britain s fear of a German coastal
invasion during World War I examining raids defense efforts and the political and strategic fallout By 1900 the British
government and public had become gripped by a new and growing fear of invasion not from traditional enemies such as
France but from Germany Such terror was driven by lurid books and fanned by newspapers These anxieties sparked off a
fight between those who wanted a defence based on a larger standing army with conscription to support it and those who
believed the Royal Navy was sufficient to defend the coast and deprecated the expense and role of a standing land force With
war declared in 1914 Britain s coastline came under attack Major German raids created terror and the fear of invasion drove
naval and military planning and dispositions to protect Britain s littoral Coastal towns such as Scarborough Great Yarmouth
Lowestoft Southwold and even the Outer Hebrides came under attack and landings by German troops were feared daily
Running battles were fought with these attacking forces and both ships and lives ashore were lost Spectre of Invasion
examines all of the raids made and the success or failure of them and relates these events from the point of view of naval and
civilian participants It tells the story of the Royal Navy and its role in the defence of the British coast in the First World War
and examines the strategic and political developments resultant from invasion fears And it considers how the plans laid for
coastal defence fared under the test of conflict laying bare what it was like to be part of the battles around the British coast
both as combatant and as citizen Finally it looks at Britain s inability to co ordinate naval and military effort throughout the
War This is a thought provoking book which combines a fast paced narrative with fascinating insights into Britain s
predicament in the years leading up to and through the First World War It will appeal to anyone interested in this era of the
