Bong Hits Jesus A Perfect Constitutional Storm In Alaskas Capital:

Bong Hits 4 Jesus James C. Foster, 2010-10-15 In January 2002 for the first time the Olympic Torch Relay visited Alaska on its way to the Winter Games When the relay runner and accompanying camera cars passed Juneau Douglas High School senior Joseph Frederick and several friends unfurled a fourteen foot banner reading BONG HiTS 4 JESUS An in depth look at student rights within a public high school this book chronicles the events that followed Frederick s suspension the subsequent suit against the school district and ultimately the escalation of a local conflict into a federal case Brought to life through interviews with the principal figures in the case Bong Hits 4 Jesus is a gripping tale of the boundaries of free speech in an American high school Constitutional Law for a Changing America Lee Epstein, Kevin T. McGuire, Thomas G. Walker, 2020-09-17 Excellent balance of case excerpts and author explanation highly appropriate for undergraduate students Dr Wendy Brame Briar Cliff University Political factors influence judicial decisions Arguments and input from lawyers and interest groups the ebb and flow of public opinion and especially the ideological and behavioral inclinations of the justices all combine to shape the development of constitutional doctrine Drawing on political science as much as from legal studies Constitutional Law for a Changing America A Short Course helps students realize that Supreme Court cases are more than just legal names and citations With meticulous revising the authors streamline material while accounting for recent landmark cases and new scholarship Ideal for a one semester course the Eighth Edition of A Short Course offers all the hallmarks of the Rights and Powers volumes in a more condensed format Students and instructors benefit from the online Con Law Resource Center which houses the supplemental case archive links to CQ Press reference materials a moot court simulation instructor resources and more Fear and the First Amendment Kevin A. Johnson, Craig R. Smith, 2024-06-04 Offers a deeply considered examination of the ways fear figures in First Amendment questions ruled on by the contemporary Supreme Court Bringing together literature on theories of fear in rhetorical and philosophical traditions the authors focus on the rulings from the Roberts Court which form a pivotal era of dramatic precedents *The American Supreme Court* Robert G. McCloskey, 2016-05-02 The sixth edition of the classic and concise account of the US Supreme Court its history and its place in American politics For more than fifty years Robert G McCloskey s classic work on the Supreme Court s role in constructing the US Constitution has introduced generations of students to the workings of our nation s highest court As in prior editions McCloskey s original text remains unchanged In his historical interpretation he argues that the strength of the Court has always been its sensitivity to the changing political scene as well as its reluctance to stray too far from the main currents of public sentiment In this new edition Sanford Levinson extends McCloskey s magisterial treatment to address developments since the 2010 election including the Supreme Court s decisions regarding the Defense of Marriage Act the Affordable Care Act and gay marriage The best and most concise account of the Supreme Court and its place in American politics McCloskey s wonderfully readable book is an essential guide to the past present and future prospects of this institution Praise for The

American Supreme Court The classic account of the American Supreme Court by the mid twentieth century s most astute student of American constitutionalism updated by the early twenty first century s most astute student of American constitutionalism This is the first work constitutional beginners should and constitutional scholars do turn to Mark Graber University of Maryland School of Law Essential This fifth edition carries on the tradition of earlier iterations keeping McCloskey s keen insights analytical framework and normative instincts intact Levinson supplements the original argument with chapters that draw on his remarkable intellectual range and invite readers to continue asking the still salient questions McCloskey set forth a half century earlier Choice on the fifth edition Lessons in Censorship Catherine J. Ross,2015-10-19 American public schools censor controversial student speech that the Constitution protects Catherine Ross brings clarity to court rulings that define speech rights of young citizens and proposes ways to protect free expression arguing that the failure of schools to respect civil liberties betrays their educational mission and threatens democracy Making Minimum Wage Helen J. Knowles,2021-08-05 The US Supreme Court s 1937 decision in West Coast Hotel v Parrish upholding the constitutionality of Washington State s minimum wage law for women had monumental consequences for all American workers It also marked a major shift in the Court s response to President Franklin D Roosevelt s New Deal agenda In Making Minimum Wage Helen J Knowles tells the human story behind this historic case West Coast Hotel v Parrish pitted a Washington State hotel against a chambermaid Elsie Parrish who claimed that she was owed the state s minimum wage The hotel argued that under the concept of freedom of contract the US Constitution allowed it to pay its female workers whatever low wages they were willing to accept Knowles unpacks the legal complexities of the case while telling the litigants stories Drawing on archival and private materials including the unpublished memoir of Elsie s lawyer C B Conner Knowles exposes the profound courage and resolve of the former chambermaid Her book reveals why Elsie who in her mid thirties was already a grandmother was fired from her job at the Cascadian Hotel in Wenatchee and why she undertook the outsized risk of suing the hotel for back wages Minimum wage laws are not an academic question or even a legal one Elinore Morehouse Herrick the New York director of the National Labor Relations Board said in 1936 Rather they are a human problem A pioneering analysis that illuminates the life stories behind West Coast Hotel v Parrish as well as the case s impact on local state and national levels Making Minimum Wage vividly demonstrates the fundamental truth of Morehouse Herrick s statement
