Border Patrol Hiring 2014:

Sand and Blood John Carlos Frey, 2019-06-25 A damning portrait of the U S Mexico border where militaristic fantasies are unleashed violent technologies are tested and immigrants are targeted Over the past three decades U S immigration and border security policies have turned the southern states into conflict zones spawned a network of immigrant detention centers and unleashed an army of ICE agents into cities across the country As award winning journalist John Carlos Frey reveals in this groundbreaking book the war against immigrants has been escalating for decades fueled by defense contractors and lobbyists seeking profits and politicians Republicans and Democrats alike who relied on racist fear mongering to turn out votes After 9 11 while Americans attention was trained on the Middle East and the wars in Iraq and Afghanistan the War on Terror was ramping up on our own soil aimed not at terrorists but at economic migrants refugees and families from South and Central America seeking jobs safety and freedom in the U S But we are no safer Instead families are being ripped apart undocumented people are living in fear and thousands of migrants have died in detention or crossing the border Taking readers to the Border Patrol outposts unmarked graves detention centers and halls of power Sand and Blood is a frightening essential story we must not ignore [Militarised Responses to Transnational Organised Crime](#)

Tuesday Reitano, Sasha Jespersen, Lucia Bird Ruiz-Benitez de Lugo, 2017-10-06 This edited volume examines the use of militarised responses to different forms of criminal activity discussing the outcomes and unintended consequences Politicians and policymakers frequently use militarised responses to look tough on crime The deployment of armies navies military assets and militarised approaches can send a powerful message but have produced mixed results While they generate the perception that governments are actively engaged on issues of concern to the public and in some cases have resulted in notable successes on the downside they have frequently also increased the loss of life exacerbated the humanitarian consequences of a particular crime and entrenched divides between security and state institutions and the criminal proponents narrowing the possibilities for future negotiated solutions By focusing on four different areas of criminality wildlife crime piracy migration and drug trafficking the book allows context and evidence based conclusions to be drawn on the strategic value and commonality of responses and their outcomes **The Cambridge Handbook of Social Problems:**

A. Javier Treviño, 2018-03-22 The introduction of the Affordable Care Act in the United States the increasing use of prescription drugs and the alleged abuse of racial profiling by police are just some of the factors contributing to twenty first century social problems The Cambridge Handbook of Social Problems offers a wide ranging roster of the social problems currently pressing for attention and amelioration Unlike other works in this area it also gives great consideration to theoretical and methodological discussions This Handbook will benefit both undergraduate and graduate students eager to understand the sociology of social problems It is suitable for classes in social problems current events and social theory Featuring the most current research the Handbook provides an especially useful resource for sociologists and graduate
