directing the player to rescue the four original vault hunters from Hyperion's clutches to accomplish this. The four player characters from the first game Roland, Lilith, Brick, and Mordecai all return in the form of NPCs that the new characters will encounter on Pandora or in various missions. The character who is named Gaige, a red-headed cyborg that can summon a D374 TP Deathtrap, a hulking floating machine made of scrap parts, is currently in concept stage and Randy Pitchford stated that they would begin to work on her some time after the main game is completed in a couple months. Following the unexpected success of the first Borderlands which sold between three to four and a half million copies since release, creative director Mike Neumann stated that there was a chance of a Borderlands 2 being created, adding that the decision seems like a no-brainer. There is absolutely nothing that isn't thoroughly covered in the book. It is straightforward and does an excellent job of explaining all about Borderlands 2 in key topics and material. There is no reason to invest in any other materials to learn about Borderlands 2. You'll understand it all.
